

INFORMATIONAL REPORT

DATE ISSUED: July 31, 2008

REPORT NO: HCR 08-79

ATTENTION: Members of the Housing Authority and
Members of the Housing Commission

SUBJECT: San Diego Housing Commission Grants Report for January – June 2008.

**NO ACTION IS REQUIRED ON THE PART OF
THE HOUSING AUTHORITY OR HOUSING COMMISSION**

BACKGROUND:

On September 11, 2007, the Housing Authority authorized the Housing Commission Board of Commissioners to approve submission of grant applications and subsequent amendments to the Housing Commission's budget to incorporate awards of grant funds. The Housing Authority concluded that this process was a more efficient use of staff time rather than requiring that those actions be docketed on the Housing Authority agenda for approval.

Incorporated within the Housing Authority's action was a requirement that the Housing Commission inform the Housing Authority, with semi-annual cumulative reports, on grant applications, grant awards, and grant applications not awarded. The attached Grants Report is the first of these reports, for the period of January through June 2008.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Carrol M. Vaughan", is written over a horizontal line.

Carrol M. Vaughan
Interim President &
Chief Executive Officer
