#### The Development

ShoreLINE Apartments is a new construction, family housing development located in the Grantville community of San Diego at the Grantville Trolley Station on Alvarado Canyon Road, north of Interstate 8. The community will consist of 155 studio, one-, two-, and three-bedroom units, along with associated common areas, parking, and landscape improvements, which will replace an existing Metropolitan Transit System (MTS) parking lot. Extensive resident services will be provided by Compass for Affordable Housing. Solari Enterprises is the property manager. Affirmed Housing Group is the sole developer.

ShoreLINE Apartments will be located on a 1.06-acre parcel at the center of the Greystar master-planned community to be developed in the Grantville community. This master-planned community is adjacent to the Grantville Trolley Station along Alvarado Canyon Road, with current address of 4470 Alvarado Canyon Road.

A lush walkway leads to the main entrance, and an adjacent driveway provides access to the gated garage levels with parking spaces. Additional surface parking spaces are also planned next to the driveway. The

building is set on the western half of the current MTS parking lot, and unaffiliated developer, Greystar, proposes to construct a market-rate project geared to students on the eastern portion. The two buildings are centered on the MTS lot to create numerous bike and pedestrian paths through and around the buildings, forming routes of connection between the trolley/bus station to the south and the Alvarado Creek area that encompasses the site to the north and west.

The ground level of the building includes residential units, parking, bike storage, staff offices, and an assembly and entertainment area with outdoor patios. The upper levels contain residential units, a laundry room and an expansive, 5,800-square-foot podium-level courtyard. Amenities include shaded outdoor gathering spaces with built-in seating and planters, play areas and a community barbecue station. (A plan set is attached in Tab 1 for reference.)

Access to the building will be monitored 24 hours a day and seven days per week by electronic means and on-site personnel. The project design encourages public pedestrian and bike activity throughout the grounds, while maintaining secured access to residents only.

Land use for the project site is regulated by the Navajo Community Plan, adopted in June 2015. The plan offers important updates that encourage the development of multifamily residential housing. ShoreLINE Apartments as currently designed follows all the guidelines set out in the community plan, and therefore, no discretionary planning approvals are required or applicable to the project.

As an added layer of due diligence, the developer engaged the City of San Diego in a preliminary review process with the Development Services Department (DSD), which concluded that the project may proceed by-right, using a process one ministerial review. No authorizations are needed beyond the normal grading and building permits. The developer intends to secure project financing in the first half of 2021, apply for construction permits in the first half of the year, and commence construction by the third quarter of 2021.

MTS has held the project site since the early 2000s and developed the southern portion of it to serve the MTS green line trolley route with a raised platform trolley station. Affirmed approached MTS with the concept to redevelop the parking lot at the station with residential uses in late 2017. The groups entered an exclusive negotiation agreement on August 31, 2018, that outlined the steps to reach a disposition and development agreement (DDA). The DDA was executed on July 10, 2019, and contains the following terms:

- The project shall enter into a 99-year ground lease with MTS upon the closing of construction financing for the project; and
- Rent shall be an amount equal to 5 percent of annual net cash flow, subject to availability after all
  project operational expenses, including debt service, have been paid.

## **Project Sustainability**

The development will be built as Green Point Rated to comply with California Tax Credit Allocation Committee (CTCAC) minimum energy efficiency construction standards for new construction. The roof design is focused on optimizing square footage to allow maximum area to install the Solar Photovoltaic system. Water conservation will be promoted via low-water-use fixtures in kitchens and bathrooms, low-flow toilets, and low-water-use native-plants landscaping with water-efficient irrigation controls.

A phase I environmental site assessment dated January 11, 2019, determined that no current Recognized Environmental Conditions (RECs) exist on site. The report did not require nor recommend additional assessments.

#### **Development Team**

Since its inception in 1992, Affirmed Housing has successfully developed 42 communities with more than 4,000 affordable rental and for-sale apartments and homes. The Affirmed Housing pipeline of projects currently includes more than 500 apartments, each at various stages of development. Affirmed Housing has secured more than \$200 million of tax credit, conventional, and other financing for affordable housing developments. Recent developments include new construction in San Diego as well as acquisition and substantial rehabilitation in San Diego, Los Angeles, Riverside and Ventura counties. Projects in San Diego include the 229-unit 1050 B Apartments, the 106-unit Tesoro Grove Apartments, the 94-unit Hollywood Palms Apartments, and their most recent completions, the 80-unit Stella and 80-unit Bluewater properties.

Affirmed Housing has developed multiple affordable rental housing developments in the City using Housing Commission loans. Affirmed Housing is in full compliance on its previous Housing Commission-funded loans. Based upon the developer's past experience and performance, Housing Commission staff has determined that the developer has the capacity to successfully complete the proposed ShoreLINE development.

## Supportive Services

The development's tenant supportive services will be provided by Compass for Affordable Housing. Founded in 2009 and broadened to Compass for Affordable Housing (Compass) in 2018, Compass is an inclusive organization providing support to those with low income residing in affordable housing. Utilizing technology, Compass shares educational information with a diverse group of individuals who may lack access to pertinent information that can help them achieve success. Compass is the connection between these individuals and pertinent social information.

Other members of the development team – including the administrative general partner, the tax credit investor, any limited partners and the construction lender – will be determined before final bond approval and the close of construction financing, as required.

## Financing Structure

ShoreLINE Apartments has an estimated total development cost of \$63,821,667 (\$411,753/unit). Financing for the project will include Multifamily Housing Revenue Bonds, private bank debt, 4 percent federal low-income housing tax credits, state tax credits, state Housing and Community Development (HCD) Transit-Oriented Development Funds, and a deferred developer fee

No Housing Commission loan proceeds will be provided to this development.

Estimated permanent sources and uses of financing are provided in Table 3. The developer's project proforma is provided as Attachment 4.

Table 3 – The ShoreLINE Apartments Estimated Sources and Uses of Financing

#### Developer Fee

The planned net cash developer fee shall be \$3,500,000 in compliance with CTCAC and CDLAC regulations.

#### Developer Fee

\$3,500,000 - gross developer fee

- \$1,083,558— minus developer's deferred developer fee; paid out of developer's share of residual cash \$2,416,442— net cash developer fee

The fee proposed is consistent with the Request for Approval of Updated Developer Fees (HAR17-011) approved by the Housing Authority on April 25, 2017.

On April 25, 2017, the Housing Authority approved the "Request for Approval of Updated Developer Fees" (Report No. HAR17-011; Resolution No. HA-1727). That report approved certain developer fee guidelines for multifamily loans and bond issuances. Attachment 1 to that report stated: "Developer Fee [for] 4% tax credits, in project costs: 15% eligible basis...." The developer is proposing a \$3,500,000 preliminary developer fee associated with the residential portion of development, which complies with

HAR17-011. The proposed fee is in conformance with the "Request for Approval of Updated Developer Fees" guidelines approved by the Housing Authority on April 25, 2017.

## **Prevailing Wages**

The proposed project is not subject to payment of state prevailing wages, but it is subject to federal prevailing wages. State prevailing wages do not apply because the California Department of Industrial Relations (DIR) has concluded that certain tax-exempt bond financing mechanisms used for multifamily housing projects are exempt from prevailing wage requirements. Public Works Case No. 2004-016, Rancho Santa Fe Village Senior Affordable Housing Project (Feb. 25, 2005) (involving conduit bond financing); Public Works Case No. 2004-049, Silverado Creek Family Apartments (May 27, 2005) (involving private placement bonds). The DIR explained that these bond financing mechanisms do not involve "the payment of money or the equivalent of money by the state or political subdivision" and do not require the payment of prevailing wages under California Labor Code section 1720(b)(1) because the bond proceeds never enter the public agency's coffers. *Id.* The payment of federal prevailing wages is required as set forth in the Agreement to Enter into a Housing Assistance Payments Contract for the 25 Project-Based Vouchers.

#### Development Cost Key Performance Indicators

Housing Commission staff has identified development cost performance indicators, which were used to evaluate the proposed development. The key performance indicators listed in Table 4 are commonly used by real estate industry professionals and affordable housing developers.

**Table 4 – Key Performance Indicators** 

Development Cost Per Unit	\$411,753
Housing Commission Subsidy Per Unit	\$0
Acquisition Cost Per Unit	\$0
Gross Building Square Foot Hard Cost	\$410
Net Rentable Square Foot Hard Cost	\$689

#### **Project Comparison Chart**

Multiple factors and variables influence the cost of developing multifamily affordable housing, including but not limited to project location, site conditions, site improvements needed, environmental factors, land use approval process, community involvement, construction type, design requirements/constraints, economies of scale, City impact fees, developer experience and capacity, and amenities necessary to gain tax credit approval.

Table 5 shows a comparison of the subject property and other developments of the same construction type.

#### Proposed Housing Bonds

The Housing Commission utilizes the Housing Authority's tax-exempt borrowing status to pass on lower interest rate financing (and make 4 percent low-income housing tax credits available) to developers of affordable rental housing. The Housing Authority's ability to issue bonds is limited under the U.S. Internal Revenue Code. To issue bonds for a development, the Housing Authority must first submit an application to CDLAC for a bond allocation. Prior to submitting applications to CDLAC, developments are brought before the Housing Commission, Housing Authority and City Council. Housing Authority bond inducement resolutions must be obtained prior to application submittal, and City Council TEFRA resolutions must be secured no later than 30 days after application submittal. These actions do not obligate the Housing Authority to issue bonds.

The developer plans to submit a bond allocation application to CDLAC on February 4, 2021, for an April 2021, bond allocation meeting (dates are subject to CDLAC's change); however, if necessary, staff will submit additional applications to CDLAC to secure a bond allocation for the development.

The developer will be seeking a CDLAC bond allocation of approximately \$36,500,000 in tax-exempt Multifamily Housing Revenue Bonds. The developer proposes to have the Housing Authority issue the bonds through a tax-exempt private placement bond issuance. The bonds will meet all requirements of the Housing Commission's Multifamily Housing Revenue Bond Program policy and will fully comply with the City of San Diego's (City) ordinance on bond disclosure.

The developer proposes that the bonds will be used to provide construction and permanent financing for the project. Housing Commission staff will later return to both the Housing Commission and Housing Authority for approval of the final bonds and transaction documents. A general description of the Multifamily Housing Revenue Bond Program and the actions that must be taken by the Housing Authority and by the City Council to initiate and finalize proposed financings are described in Attachment 5.

Staff recommends assigning Orrick as Bond Counsel and Ross Financial as Financial Advisor to work on the development. The proposed financing team members have been selected in accordance with the existing policy for the issuance of bonds. Financial Advisors and Bond Counsels are selected in accordance with the Housing Commission's Bond Policy.

## AFFORDABLE HOUSING IMPACT

Under the proposed bond financing, ShoreLINE Apartments would restrict 25 units to households with income at or below 30 percent of the San Diego Area Median Income (AMI), 13 units at or below 40 percent of AMI, 95 units at or below 50 percent of AMI, and 20 units at or below 80 percent of AMI. The affordable units will be restricted for a 55-year term. The project will qualify as a tax-credit project under CTCAC's income averaging rule.

CTCAC/CDLAC application	February 4, 2021
Submit Building Permit Applications	March 15, 2021

Incorporate Plan Check Comments	May 15, 2021
City Issuance of Building Permits	August 31, 2021
Start Construction	September 1, 2021
Complete Construction	May 2023

#### FISCAL CONSIDERATIONS

The proposed funding sources and uses approved by this action are not included in the Fiscal Year (FY) 2021 Housing Commission Budget. Approving this action will increase the FY 2021 total budget.

Funding sources approved by this action will be as follows: Bond Issuance Fees - \$141,500 (.0025 bond issuer fee x \$56,600,000)

Funding uses approved by this action will be as follows:

Administration Costs - \$141,500

Approval of the bond inducement and TEFRA resolutions does not commit the Housing Authority to issue the bonds. The bonds would not constitute a debt of the City. If bonds are ultimately issued for the development, the bonds will not financially obligate the City, the Housing Authority or the Housing Commission because security for the repayment of the bonds will be limited to specific private revenue sources of the development. Neither the faith and credit nor the taxing power of the City or the Housing Authority would be pledged to the payment of the bonds. The developer is responsible for the payment of all costs under the financing, including the Housing Commission annual administrative fee, as well as Housing Commission Bond Council and Financial Advisor fees.

## **COMMUNITY PARTICIPATION and PUBLIC OUTREACH EFFORTS**

ShoreLINE Apartments is a by-right project and is consistent with the base zone regulations and supplemental development regulations. A formal community group review is not required for a by-right project per City of San Diego guidelines. However, development staff has been in communication with the community since the project was first in discussion with MTS. Additionally, the application for Affordable Housing Sustainable Communities (AHSC) through the Housing and Community Development (HCD) department required extensive community outreach.

In January 2019, Affirmed met with members of the Navajo Community Planners to gain insight into the priorities of the neighbors immediately surrounding the Grantville Trolley station, which revealed concerns related to creek flooding and access to the trolley station. In April 2019, Affirmed and MTS met with then-Councilmember Scott Sherman and members of his staff to discuss the proposed project. This sentiment was discussed further during a public hearing on June 13, 2019, that resulted in a vote of the MTS Board of Directors to overwhelmingly approve the project's DDA. Public commenters repeatedly supported the housing proposal and encouraged MTS to take action on the creek revitalization.

The applicant team is maintaining ongoing engagement with the community. Affirmed Housing Group will provide another informal information presentation to the Navajo Community Planning Group to update the community on the project once project is fully funded. Affirmed has regular phone calls, email interactions, and meetings with leaders in the community. The project will be heard again by the Navajo Community Planning Group before final bond authorization.

## **KEY STAKEHOLDERS and PROJECTED IMPACTS**

Stakeholders include Affirmed Housing Group and the residents of the Grantville community. The project is anticipated to have a positive impact on the community, as it will contribute to the quality of the surrounding neighborhood and create 153 new affordable rental homes for low-income individuals and families.

## **ENVIRONMENTAL REVIEW**

This activity is not a "project" and is therefore not subject to the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15060(c)(3). This determination is predicated on Section 15004 of the Guidelines, which provides direction to lead agencies on the appropriate timing for environmental review. This action does not constitute approval of a project. Approval will occur once the environmental review has been completed in accordance with CEQA Section 15004. This action will not foreclose review of alternatives or mitigation measures by the public as part of the CEQA process. The proposed actions are approval of preliminary steps to issue bonds and do not constitute approval of the development activity or authorization for the issuance of bonds. Future actions to consider and approve development entitlement approvals related to the future development of the site will require additional review under the provisions of CEQA by the lead agency. Processing under the National Environmental Policy Act (NEPA) is not required as no federal funds are involved in this action.

### A. Damage To Premises Rented To You

If damage by fire to premises rented to you is not otherwise excluded from this Coverage Part, the word "fire" is changed to all Covered Causes of Loss where it appears in:

- The last paragraph of SECTION I COVERAGES, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY after the Exclusions;
- 2. Paragraph 6 of SECTION III LIMITS OF INSURANCE;
- Paragraph b.(1)(b) of 4. Other Insurance in SECTION IV COMMERCIAL GENERAL LIABILITY CONDITIONS; and
- 4. Paragraph 9.a. "Insured contract" in SECTION V DEFINITIONS.

The Damage To Premises Rented To You Limit section of the Declarations is amended to the greater of:

- a. \$1,000,000; or
- The amount shown in the Declarations as the Damage to Premises Rented to You Limit.

This is the most we will pay for all damage proximately caused by the same event, whether such damage results from a Covered Cause of Loss or any combination thereof.

#### B. Extended Property Damage

SECTION I – COVERAGES, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY, 2. Exclusions a. is deleted and replaced by the following:

a. Expected or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" or "property damage" resulting from the use of reasonable force to protect persons or property.

### C. Non-Owned Watercraft

SECTION I – COVERAGES, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY, 2. Exclusions paragraph g. (2) is amended to read as follows:

- (2) A watercraft you do not own that is:
  - (a) Less than 58 feet long; and
  - (b) Not being used to carry persons or property for a charge;

This provision applies to any person, who with your consent, either uses or is responsible for the use of a watercraft. This insurance is excess over any other valid and collectible insurance available to the insured whether primary, excess or contingent.

### D. Supplementary Payments - Coverages A and B

In the SUPPLEMENTARY PAYMENTS - COVERAGE A AND B provision:

- 1. The limit for the cost of bail bonds is changed from \$250 to \$2,500; and
- 2. The limit for loss of earnings is changed from \$250 a day to \$500 a day.

### E. Employee Indemnification Defense Coverage

Under SUPPLEMENTARY PAYMENTS - COVERAGES A AND B the following is added:

We will pay, on your behalf, defense costs incurred by an "employee" in a criminal proceeding.
The most we will pay for any "employee" who is alleged to be directly involved in a criminal
proceeding is \$10,000 regardless of the numbers of employees, claims or "suits" brought or
persons or organizations making claims or bringing "suits".

### F. SECTION II - WHO IS AN INSURED is amended as follows:

- If coverage for newly acquired or formed organizations is not otherwise excluded from this Coverage Part, paragraph 3.a is changed to read:
  - a. Coverage under this provision is afforded until the end of the policy period.
- 2. 2. c and d are deleted in their entirety and replaced with the following:
  - Any person or organization having proper temporary custody of your property if you cease to exist as a legal entity, but only:
    - 1. With respect to liability arising out of the maintenance or use of that property; and
    - 2. Until your legal representative has been appointed.
  - d. Your legal representative, if you cease to exist as a legal entity, but only with respect to duties as such. That representative will have all your rights and duties under this Coverage Part.
- 3. Each of the following is also an insured:
  - a. Committee, Organization and Subsidiary Any committee, organization and subsidiary thereof which you control and actively manage on the effective date of this Coverage Part. However, coverage does not apply to any committee, organization and subsidiary not named in the Declarations as a Named Insured, if they are also insured under another policy, but for its termination or the exhaustion of its limits of insurance.
  - b. Managers or Lessors of Premises Any person or organization with respect to their liability arising out of the ownership, maintenance or use of that part of the premises leased to you subject to the following additional exclusions:

This insurance does not apply to:

- Any "occurrence" which takes place after you cease to be a tenant in that premises.
- Structural alterations, new construction or demolition operations performed by or on behalf of that person or organization.
- c. Lessor of Leased Equipment Automatic Status When Required in Lease Agreement With You – any person or organization from whom you lease equipment when you and such person or organization have agreed in writing in a contract or agreement that such person or organization is to be added as an additional insured on your policy. Such person or organization is an insured only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your maintenance, operation or use of equipment leased to you by such person or organization.

A person's or organization's status as an additional insured under this endorsement ends when their contract or agreement with you for such leased equipment ends.

With respect to the insurance afforded to these additional insureds, this insurance does not apply to any "occurrence" which takes place after the equipment lease expires.

d. Use of Watercraft – any person, who with your consent, either uses or is responsible for the use of a watercraft that you do not own that is less than 58 feet long and is not being used to carry persons or property for a charge.

### G. Duties in the Event of Occurrence, Claim or Suit

- The requirement in condition 2.a. of SECTION IV COMMERCIAL GENERAL LIABILITY CONDITIONS that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:
  - a. You, if you are an individual;
  - b. A partner, if you are a partnership; or
  - c. An executive officer, director, or insurance manager, if you are a corporation.
- The requirement in condition 2.b. that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:
  - a. You, if you are an individual;
  - b. A partner, if you are a partnership; or
  - c. An executive officer, director, or insurance manager, if you are a corporation.

### H. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

#### I. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

## J. Bodily Injury - Mental Anguish

The definition of "Bodily injury" is changed to read:

- 3. "Bodily injury":
  - Means bodily injury, sickness or disease sustained by a person, and includes mental anguish resulting from any of these; and
  - Except for mental anguish, includes death resulting from the foregoing (item a. above) at any time.

### K. Personal and Advertising Injury - Abuse of Process, Discrimination

If COVERAGE B PERSONAL AND ADVERTISING INJURY LIABILITY COVERAGE is not otherwise excluded from this Coverage Part, the definition of "Personal and Advertising Injury" is amended as follows:

- 1. Item 14 b. is revised to read:
  - a. Malicious prosecution or abuse of process:
- 2. Adding the following:

- a. "Personal and advertising injury" also means discrimination based on race, color, religion, sex, age or national origin, except when:
  - 1. Done intentionally by or at the direction of, or with the knowledge or consent of:
    - a. Any insured; or
    - b. Any executive officer, director, stockholder, partner or member of the insured; or
  - Directly or indirectly related to the employment, former or prospective employment, termination of employment, or application for employment of any person or persons by an insured: or
  - Directly or indirectly related to the sale, rental, lease or sublease or prospective sales, rental, lease or sub-lease of any room, dwelling or premises by or at the direction of any insured; or
  - Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

## HOUSING COMMISSION MULTIFAMILY HOUSING REVENUE BOND PROGRAM SUMMARY

General Description: The multifamily housing bond program provides below-market financing (based on bond interest being exempt from income tax) for developers willing to set aside a percentage of project units as affordable housing. Multifamily housing revenue bonds are also known as "private activity" bonds because the projects are owned by private entities, often including nonprofit sponsors and for-profit investors.

Bond Issuer: Housing Authority of the City of San Diego. There is no direct legal liability to the City, the Housing Authority or the Housing Commission in connection with the issuance or repayment of bonds. There is no pledge of the City's faith, credit or taxing power nor of the Housing Authority's faith or credit. The bonds do not constitute a general obligation of the issuer because security for repayment of the bonds is limited to specific private revenue sources, such as project revenues. The developer is responsible for the payment of costs of issuance and all other costs under each financing.

Affordability: Minimum requirement is that at least 20% of the units are affordable at 50% of Area Median Income (AMI). Alternatively, a minimum of 10% of the units may be affordable at 50% AMI with an additional 30% of the units affordable at 60% AMI. The Housing Commission requires that the affordability restriction be in place for a minimum of 15 years. Due to the combined requirements of state, local, and federal funding sources, projects financed under the Bond Program are normally affordable for 30-55 years and often provide deeper affordability levels than the minimum levels required under the Bond Program.

Rating: Generally "AAA" or its equivalent with a minimum rating of "A" or, under conditions that meet IRS and Housing Commission requirements, bonds may be unrated for private placement with institutional investors (typically, large banks). Additional security is normally achieved through the provision of outside credit support ("credit enhancement") by participating financial institutions that underwrite the project loans and guarantee the repayment of the bonds. The credit rating on the bonds reflects the credit quality of the credit enhancement provider.

## Approval Process:

- Inducement Resolution: The bond process is initiated when the issuer (Housing Authority) adopts an "Inducement Resolution" to establish the date from which project costs may be reimbursable from bond proceeds (if bonds are later issued) and to authorize staff to work with the financing team to perform a due diligence process. The Inducement Resolution does not represent any commitment by the Housing Commission, Housing Authority, or the developer to proceed with the financing.
- TEFRA Hearing and Resolution (Tax Equity and Fiscal Responsibility Act of 1982): To assure that projects making use of tax-exempt financing meet

appropriate governmental purposes and provide reasonable public benefits, the IRS Code requires that a public hearing be held and that the issuance of bonds be approved by representatives of the governmental unit with jurisdiction over the area in which the project is located (City Council). This process does not make the City financially or legally liable for the bonds or for the project.

[Note: It is uncommon for the members of the City Council to be asked to take two actions at this stage in the bond process---one in their capacity as the City Council (TEFRA hearing and resolution) and another as the Housing Authority (bond inducement). Were the issuer (Housing Authority) a more remote entity, the TEFRA hearing and resolution would be the only opportunity for local elected officials to weigh in on the project.]

- Application for Bond Allocation: The issuance of these "private activity bonds" (bonds for projects owned by private developers, including projects with nonprofit sponsors and for-profit investors) requires an allocation of bond issuing authority from the State of California. To apply for an allocation, an application approved by the Housing Authority and supported by an adopted inducement resolution and by proof of credit enhancement (or bond rating) must be filed with the California Debt Limit Allocation Committee (CDLAC). In addition, evidence of a TEFRA hearing and approval must be submitted prior to the CDLAC meeting.
- Final Bond Approval: The Housing Authority retains absolute discretion over the issuance of bonds through adoption of a final resolution authorizing the issuance. Prior to final consideration of the proposed bond issuance, the project must comply with all applicable financing, affordability, and legal requirements and undergo all required planning procedures/reviews by local planning groups, etc.
- Funding and Bond Administration: All monies are held and accounted for by a third party trustee. The trustee disburses proceeds from bond sales to the developer in order to acquire and/or construct the housing project. Rental income used to make bond payments is collected from the developer by the trustee and disbursed to bond holders. If rents are insufficient to make bond payments, the trustee obtains funds from the credit enhancement provider. No monies are transferred through the Housing Commission or Housing Authority, and the trustee has no standing to ask the issuer for funds.

Bond Disclosure: The offering document (typically a Preliminary Offering Statement or bond placement memorandum) discloses relevant information regarding the project, the developer, and the credit enhancement provider. Since the Housing Authority is not responsible in any way for bond repayment, there are no financial statements or summaries about the Housing Authority or the City that are included as part of the offering document. The offering document includes a paragraph that states that the Housing Authority is a legal entity with the authority to issue multifamily housing bonds and that the Housing Commission acts on behalf of the Housing Authority to issue the

bonds. The offering document also includes a paragraph that details that there is no pending or threatened litigation that would affect the validity of the bonds or curtail the ability of the Housing Authority to issue bonds. This is the extent of the disclosure required of the Housing Authority, Housing Commission, or the City. However, it is the obligation of members of the Housing Authority to disclose any material facts known about the project, not available to the general public, which might have an impact on the viability of the project.
