### NO ACTION IS REQUIRED ON THE PART OF HOUSING COMMISSION

An informational workshop will be presented on the City of San Diego Community Action Plan on Homelessness.

The San Diego City Council (City Council) unanimously accepted the Community Action Plan on Homelessness (Community Action Plan) on October 14, 2019. The Community Action Plan is a comprehensive, 10-year plan that builds on recent progress, lays out short-term achievable goals and serves as a guide for long-term success in addressing homelessness.

Upon acceptance of the Community Action Plan, a citywide interagency Leadership Council was created to oversee and provide guidance and direction on the plan. The Community Action Plan Implementation Team and Project Manager provide recommendations to the Leadership Council and carry out actions and activities to achieve the Community Action Plan goals based on priorities within the framework of each of the five foundational strategies of the Community Action Plan.

This presentation will provide a mid-year update on the plan and related homelessness initiatives, including an overview of current activities, major milestones and progress toward the goals of the Community Action Plan.
