

SDHC CAREERS

HOW TO APPLY

PUBLIC

INSTRUCTIONS

You can apply for an open position at SDHC by clicking on the title of one of the “Opportunities” and then clicking on the "Apply" link.

If this is the first time you are applying for a job through our online job application, you will be asked to register for an account. You can also sign in if you have previously created an account.

You can register for an account by [clicking here](#).

After your account has been created, you can provide your personal information, such as, Contact Information, Work Experience, Education, and Skills. You can also upload documents and send requests for professional references.

Your information can be saved and used to apply for more than one SDHC Job Opportunity.

It is important that your application include all of your relevant experience and education. Applications may be rejected if incomplete. You must demonstrate on your resume and application that you meet or exceed the job requirements listed on the posting to be considered eligible.

If you are interested in a job for which SDHC is not currently recruiting, complete the “Discover your potential” section.
