SDHC: Federal Designation to Promote Financial Self-Reliance

Housing Our Heroes and LEAP are part of HOUSING FIRST's homelessness action plan. LEAP is an expansion of the landlord incentives program of Housing Our Heroes. Through provide 89 rental apartments that will remain affordable for 55 years for families with income up to 60 percent of San Diego's Area Median Income. Developed by Chelsea Investment Corporation in partnership with SDHC, Mesa Verde was recognized with the grand opening of Mesa Verde Apartments, an SDHC partnership development.

I was pleased to join Mayor Kevin L. Faulconer at an event hosted by the San Diego Regional Chamber of Commerce to recognize landlords who participated with SDHC and the City of San Diego in the Housing Our Heroes initiative and to encourage more landlords to join our Landlord Engagement and Assistance Program (LEAP). Housing Our Heroes helped 1,000 Veterans who had been experiencing homelessness to secure rental housing. More than 430 landlords joined the initiative.

The Housing Our Heroes initiative, which helped 1,000 homeless Veterans secure permanent shelter, was named one of 18 EnVision Centers across the country that HUD Secretary Dr. Ben Carson announced.

SDHC was proud to be selected with our partners as one of the 18 EnVision Centers across the country. The U.S. Department of Housing and Urban Development (HUD) announced the centers in April. HUD's EnVision Centers are innovative program working with landlords to create housing opportunities for families, youth, and individuals who are experiencing or at risk of homelessness. The centers will create a coordinated community approach to provide support services and help residents achieve housing stability. Each of the 18 EnVision Centers will address homelessness as a complex issue requiring a multi-pronged response, and through partnerships, will offer an array of services and supports to help residents succeed in their homes.

The EnVision Centers are intended to support and expand the nation's current efforts to end chronic homelessness and help residents achieve housing stability. Each center includes a unique mix of permanent supportive housing, transitional and other supportive housing and services, and permanent supportive housing.

SDHC also celebrates with our partners the grand opening of newly constructed affordable rental housing for families and the homeless seniors. Three SDHC partnership developments won honors at the annual Ruby Awards, presented by the National Association of Housing and Redevelopment Officials (NAHRO) at the organization's summer conference. Three SDHC programs will be receiving Awards of Merit from the National Association of Housing and Redevelopment Officials (NAHRO) at the organization's summer conference, which will be held July 27-29 in San Francisco.

SDHC Partnership Recognized with National Awards of Excellence
