

The San Diego Housing Commission (SDHC) created the Path to Success initiative to encourage Section 8 Housing Choice Voucher rental assistance families to become more financially self-reliant.

Path to Success modified the method used to determine the monthly rent payment amounts for families that receive rental assistance from SDHC and public housing residents. The new rent methodology was designed to motivate families to increase earnings.

In addition, Path to Success set minimum monthly rent payment amounts for participants who are identified as able to work (Work-Able). There is no minimum monthly rent payment amount for Elderly/Disabled families.

Effective July 1, 2024, Elderly/Disabled families are households in which all adult family members are 62 or older, disabled, or a full-time student ages 18 to 23.

Path to Success is one of SDHC's innovative "Moving to Work" (MTW) initiatives and was implemented in Fiscal Year 2014 (July 1, 2013 - June 30, 2014).

## Work-Able Families

- Effective July 1, 2024, Work-Able families are households with at least one adult who is under 62, not disabled, and not a full-time student ages 18-23.
- In Fiscal Year 2024 (July 1, 2023 – June 30, 2024), SDHC's Housing Choice Voucher rental assistance program included 6,190 Work-Able households.
- The average annual earned income of all Work-Able families in Fiscal Year 2024 was \$37,091.

## Rent Payment Amounts

- Path to Success set minimum monthly rent payment amounts for Work-Able households.

Work-Able Adults in the Household	Minimum Rent
1	\$400
2+	\$650

- Work-Able families pay either the minimum monthly rent payment amount or the rent payment amount based on the family's annual income, whichever is greater.
- Adjusted annual income is separated into income ranges. The lower edge of the range is used to calculate the family's rent payment.
  - For example, the monthly rent payment amount for any family with adjusted annual income between \$25,000 and \$29,999 will be calculated using \$25,000 as their income.
  - This allows Work-Able families to increase their earnings without immediately paying more toward rent. They can then direct that money to other financial goals.

## SDHC Achievement Academy

- SDHC guides Work-Able families to become more financially self-reliant through enrollment at the SDHC Achievement Academy.
- The SDHC Achievement Academy provides programs that emphasize career planning, job skills, job placement and personal financial education, such as budgeting and credit. Programs are available at no cost for individuals and families with low income in the City of San Diego.
- Family Self-Sufficiency is a core program, through which participants are able to earn up to \$50,000 in an interest-bearing escrow account based upon their educational and employment-related accomplishments.

## Hardship Policy

- Families may apply for a temporary hardship exemption from the minimum monthly rent payment amounts.
- If approved, households **MUST** participate in SDHC Achievement Academy "work readiness" programs for the duration of the hardship period.
- Information on hardship policies is located throughout the SDHC Administrative Plan, beginning on page 49, via the following link: <https://www.sdhc.org/about-us/plans-policies/section-8-administrative-plan/>
- All requests for minimum rent hardship exceptions are required to be in writing. The requests will be reviewed by the Hardship Review Committee and analyzed on a case-by-case basis.
