### **SUMMARY**

The Housing Commission is one of only 39 public housing authorities (PHAs), out of 3,400 nationwide, to obtain an MTW designation from the U.S. Department of Housing and Urban Development (HUD), which grants PHAs the flexibility to design innovative, cost-effective ways of providing federal housing assistance to low-income families. HUD requires MTW agencies to submit an annual plan, including all proposed initiatives and revisions to previously approved initiatives. The initiatives in the Housing Commission's FY 2020 MTW Annual Plan are designed to increase housing opportunities and self-sufficiency for low-income families. The proposed draft Annual Plan (Attachment 1) provides a detailed description of the activities and specifies the methods for measuring performance. The attached Annual Plan includes one new initiative and one re-proposed initiative that the Housing Commission is requesting authority to implement in FY 2020.

The FY 2020 MTW initiatives included in the Annual Plan are summarized as follows:

1. *Landlord Partnership Program* - This initiative provides incentives to current and prospective landlords to rent housing units to Section 8 Housing Choice Voucher rental assistance participants. The objectives of the initiative are to increase the number of units available to rental assistance participants, recruit new landlords, and retain existing landlord participation. Services are intended to attract and retain landlords and assist families to continue to ensure a successful, timely lease-up process. A budget of \$1.0 million of MTW Block Grant funds will be used to administer the program and fund the incentives.

2. *The Monarch School Project* - In FY 2016, SDHC proposed a local, non-traditional tenant-based rental assistance program in partnership with the nonprofit Monarch School to offer affordable housing solutions to families experiencing homelessness with children attending Monarch School. The Monarch School Project provides a rental subsidy to the families. As part of the initial program, parents engaged in work-readiness services through the SDHC Achievement Academy while contributing to the children's academic development and progress. The program was projected to assist 25 families over the first three years of implementation. The reproposal of the initiative allows the Housing Commission to provide the appropriate services as required by families to ensure long-term stable housing. SDHC will ensure that families have access to the appropriate intervention, including permanent supportive housing (PSH), as required.

### **AFFORDABLE HOUSING IMPACT**

The initiatives contained in the FY 2020 MTW Annual Plan were designed to ensure program participants can access affordable housing within the City of San Diego by increasing landlord participation and increasing the availability of rental units.

### **FISCAL CONSIDERATIONS**

The proposed funding sources and uses approved by this action, as specified in Section V – Sources and Uses of Funding section of the FY 2020 MTW Annual Plan, will be included in the FY 2020 Housing Commission proposed budget.

### **PREVIOUS COUNCIL and/or COMMITTEE ACTION**

At the request of Councilmembers Georgette Gómez and Barbara Bry, pursuant to San Diego Municipal Code Section 98.0301(e)(2), the FY 2019 MTW Annual Plan was presented to and approved the Housing Authority on April 9, 2018 (Resolution HA-1778).

The Housing Commission previously has authorized the submission of MTW Annual Plans and Amendments each year for FY 2011 (July 1, 2010 – June 30, 2011) through FY 2019 (July 1, 2018 – June 30, 2019).

On December 2, 2008, and November 21, 2008, the Housing Authority of the City of San Diego and the Housing Commission, respectively, authorized the Housing Commission to submit an application for reactivation of the Housing Commission's status as an MTW site and to submit the Housing Commission 2010 MTW Annual Plan to HUD.

### **COMMUNITY PARTICIPATION and PUBLIC OUTREACH EFFORTS**

The Housing Commission's MTW Annual Plan and a notice of public hearing were posted for a public comment period of 30 days on January 31, 2019. To promote community and participant involvement, the Housing Commission placed notices in local newspapers including San Diego's largest circulation newspaper. Additionally, invitation letters were sent to a group of rental assistance participants requesting their participation. The public hearing was held on February 4, 2019, and all feedback and comments from the public relating to the Annual Plan initiatives are incorporated into the Annual Plan.

**KEY STAKEHOLDERS and PROJECTED IMPACTS**

The MTW program affects current and future Section 8 Housing Choice Voucher and Public Housing participants and owners. The intended impact of this program is to utilize federal dollars more efficiently, increase housing choice in the City, and encourage self-sufficiency among participants. The initiatives proposed in the FY 2020 MTW Annual Plan will ensure increase landlord participation, increase the availability of rental units and ensure appropriate services are provided to impacted families.

The parties agree that the provision of any federal funds to the project is conditioned on the City of San Diego's determination to proceed with, modify or cancel the project based on the results of subsequent environmental review under NEPA. A preliminary review of this action stipulates that this activity is exempt from the National Environmental Policy Act pursuant to Section 58.34(a)(2) and Section 58.34(a)(3) Title 24 of the Code of Federal Regulations.

## SECTION I – INTRODUCTION

### A. Message from the President & CEO

In the last 10 years, the San Diego Housing Commission (SDHC) has transformed from a traditional public housing authority to an organization recognized nationally for its innovative approaches to providing housing assistance to households with low income or experiencing homelessness.

Many of our innovations are possible because of the flexibility allowed by SDHC's status as one of only 39 "Moving to Work" (MTW) agencies nationwide.

Through our largest program, SDHC provides federal rental assistance to more than 15,000 families. We encourage financial self-reliance and provide the support families need to achieve it through initiatives like the SDHC Achievement Academy, established with MTW flexibility.

A learning and resource center with a computer lab, the SDHC Achievement Academy has served more than 5,600 individuals since it opened in 2010, including placing more than 1,000 individuals in jobs. The average income of SDHC Achievement Academy participants has increased more than 38 percent in that time.

SDHC's leadership role in collaborative efforts to address homelessness in San Diego also has grown. This includes our landmark HOUSING FIRST – SAN DIEGO homelessness action plan, which created more than 2,000 housing opportunities in Fiscal Year 2018 (July 1, 2017 – June 30, 2018) for San Diegans experiencing homelessness.

With MTW flexibility, since 2010, SDHC has committed more than 4,000 rental housing vouchers to address homelessness in the City of San Diego, including vouchers committed through HOUSING FIRST – SAN DIEGO.

In addition, SDHC continues to provide housing opportunities as a landlord and a partner in developments that create and preserve affordable housing. SDHC, including its nonprofit affiliate, owns or manages more than 3,700 affordable rental housing units in the City of San Diego. In the last 10 years, SDHC has partnered with developers to create and preserve more than 7,600 affordable rental housing units, including more than 900 that were completed in Fiscal Year 2018.

Building on the achievements of the last decade, SDHC will continue to develop innovative approaches as an MTW agency to have a positive impact on the families we serve.

At SDHC, "We're About People."

Sincerely,

Richard C. Gentry  
President & Chief Executive Officer  
San Diego Housing Commission

### **B. Short-Term and Long-Term MTW Goals**

#### **Long-Term Goals**

##### **SDHC Strategic Plan 2016-2020**

The San Diego Housing Commission's (SDHC) four-year Strategic Plan (2016-2020), which was approved September 9, 2016, provides a framework to identify how SDHC can have the greatest possible impact with limited financial resources.

The Plan identifies three goals, each of which includes corresponding objectives and metrics to measure progress:

1. Maximize resources through operational efficiencies and technological innovations
2. Increase the number of housing opportunities that serve low-income and homeless individuals and families in the city of San Diego
3. Advocate for more effective affordable housing policies and resources

SDHC's Strategic Plan builds upon the accomplishments of the agency's 2014-2016 Strategic Plan and complements the MTW program's statutory objectives to use federal dollars more efficiently; help residents on their path to economic independence; and improve housing choices for low-income families.

##### **HOUSING FIRST – SAN DIEGO: 2018-2020**

SDHC's MTW status enables the agency to leverage its available resources to address homelessness in the City of San Diego through HOUSING FIRST – SAN DIEGO, SDHC's homelessness action plan.

The current phase of this plan launched on July 1, 2017, and directs \$79.7 million in federal, City, and SDHC resources over three fiscal years (2018–2020) toward six programs to create permanent housing opportunities for at least 3,000 San Diegans experiencing homelessness:

- Landlord Engagement and Assistance Program (LEAP)
- New Permanent Supportive Housing
- SDHC Moving Home Rapid Rehousing, an SDHC MTW initiative
- SDHC Moving On Rental Assistance, an SDHC MTW initiative
- Homeless Prevention & Diversion
- Coordinated Outreach

In its first year, Fiscal Year 2018 (July 1, 2017 – June 30, 2018), HOUSING FIRST – SAN DIEGO: 2018-2020 created 2,068 housing opportunities for San Diegans experiencing homelessness.

#### **Short-Term Goals**

##### **San Diego EnVision Center**

The SDHC Achievement Academy is one of the key partners in the collaboration among SDHC, the City of San Diego, and the San Diego Workforce Partnership that was selected to be one of 17 HUD EnVision Centers across the country.

The San Diego EnVision Center is anticipated to formally open in 2019.

HUD's selection of this SDHC partnership as an EnVision Center reflects SDHC's track record of successful collaborations with community partners to achieve positive results for the families the agency serves.

The San Diego EnVision Center was announced by HUD Secretary Ben Carson on June 7, 2018. It will promote financial self-reliance among federal rental assistance recipients and public housing residents.

EnVision Center services will be provided at the SDHC Achievement Academy in Downtown San Diego and South Metro Career Center in the city's southern region. Services will be offered in four areas:

- Economic Empowerment
- Educational Advancement
- Health & Wellness
- Character & Leadership Development

## SECTION III - PROPOSED MTW ACTIVITIES: HUD APPROVAL REQUESTED

### 2020-1. LANDLORD PARTNERSHIP PROGRAM

**Activity Description:** The City of San Diego is experiencing an escalating housing market and unprecedented market rents. Coupled with low-vacancy rates, Housing Choice Voucher (HCV) participants are experiencing difficulty identifying and leasing affordable rental units. In certain instances, voucher search times can exceed 120 days despite internal process improvements decreasing lease up transaction timelines. Therefore, additional incentives and strategies are necessary to ensure all voucher recipients are housed in a timely manner while ensuring safe, decent and quality dwelling units.

SDHC has already experienced success with the Landlord Engagement & Assistance Program (LEAP), a program designed to incentivize landlords to lease units to homeless households. Due to the success of LEAP, SDHC proposes to implement a similar program, aimed at increasing and retaining quality housing units, within the broader HCV program.

The Landlord Partnership Program (LPP) aims to expand rental opportunities for families holding housing choice vouchers by making landlord participation in the program more attractive by providing both financial and supporting incentives to landlords who rent to HCV Program participants within the City of San Diego.

Incentives are designed to recruit new landlords and units as well as retain existing units within the portfolio of available housing. Proposed strategies and incentives may include the following:

1. **Incentive Payments :** Lump sum payment issued to Landlords for leasing to a SDHC HCV family within SDHC jurisdiction. The proposed budget for this fund is \$600K.
2. **Landlord Partnership Assurance Fund:** For damages caused by tenant beyond normal wear and tear or failure to pay rent, landlords may request assurance funds to cover expenses that exceed security deposits. Landlords can access assurance funds only within first two years of new tenancy. The maximum permissible request will be \$3K and the proposed budget for this fund is \$250K.
3. **Move flexibility allowance:** In the instance of a tenant vacating a subsidized unit to move to a new unit, SDHC may cover up to five days of HAP overlap, regardless of move month, to ensure neither landlord is harmed in the process. The estimated budget for this incentive is \$150K for the first year.
4. **Simplified inspections**
  - a. As part of SDHC's Biennial Inspections Activity, qualified units are subject to biennial inspections instead of annual inspections. In order to ensure housing units maintain biennial status, a quality assurance (QA) plan with random QA inspections was established. These inspections are conducted with the same protocol as a regular inspection. Upon successful results, SDHC will consider the QA inspection as a successful biennial inspection.
  - b. For prospective landlords, SDHC will pre inspect vacant units and provide 60 day inspection validation.
5. **Landlord Liaison team:** SDHC will establish a specialized team to provide quality customer service to landlords. The team will be responsible for monitoring all program incentives and conducting annual program reviews with recommendations to enhance program.
6. **Participant Assistance:** A dedicated team will support families (new and moves) in the process to ensure timely lease ups.

SDHC will perform ongoing analysis to determine the success of each incentive as well as solicit feedback from landlords for possible enhancements to the program. SDHC may adjust the incentives in future years to adjust for market fluctuations, landlord feedback, funding considerations, and local priorities. The incentives offered through this program will serve to retain and incentivize landlords to participate in the HCV program by eliminating barriers to participation and improving lease up timelines.

**SECTION III – PROPOSED MTW ACTIVITIES: HUD APPROVAL REQUESTED**

**Statutory Objectives:** The activity will achieve the statutory objective of increasing housing choice for low-income families since the activity results in additional rental housing inventory within the City of San Diego.

**Anticipated Impacts:** The activity is primarily designed to attract new landlords and add units to the Housing Choice Voucher unit inventory as well as incentivizing existing landlords to either lease more units to rental assistance participants or maintain existing housing resources for participants. The anticipated impact of the activity is an increase in the number of units available for lease to Housing Choice Voucher participants, thus increasing housing choice and the ability to more rapidly house rental assistance families.

**Anticipated Timeline to Achieve Objectives:** SDHC anticipates implementing the incentive program during Fiscal Year 2020. The first year of implementation will focus on evaluating the results of individual recruitment activities and the impact of the menu of incentives offered in order to inform future programmatic modifications and approaches to the program. The expectation is the second year of implementation will yield positive results with benchmarks achieved in the third year of operation.

**Activity Metrics Information:**

Landlord Retention and Incentive Program						
Metric	Baseline		Benchmark		Outcome	Data Source
	#	%	#	%		
<i>HC #5: Increase in Resident Mobility</i> Number of households able to move to a better unit and/or neighborhood of opportunity as a result of the activity (increase).	0		150			SDHC Database
<i>HC #7: Households Assisted by Services that Increase Housing Choice</i> Number of households receiving services aimed to increase housing choice (increase).	0		600			SDHC Database

**Projected Outcomes:**

- HC #5: The landlord incentives may increase the unit inventory in SDHC’s zip codes of opportunity. The number of new units added to SDHC’s opportunity zip codes will inform the outcome of the metric.
- HC #7: Landlord incentives will directly impact the availability of units in San Diego, thus increasing housing choice in the city. The number of families occupying the new units throughout SDHC’s jurisdiction will be quantified in the outcome.

**Cost Implications:** Based on the initiative’s goals, internal analysis of historical data, and the programmatic budget, the financial impact is predicted as follows:

Financial Impact Analysis: Annual Cost Predictions				
#	Incentive Description	Estimated Incentive Amount	Estimated Units	Estimated Cost
1	Incentive Payments for New Units	\$500	1,200	\$600,000
2	Assurance Funds	\$3,000	150	\$250,000
3	Move Flexibility	\$175	800	\$150,000
6	Unit Pre-Qualification Policy	\$0	400	\$0
<b>TOTAL ESTIMATED COST:</b>				<b>\$1,000,000</b>

SDHC will internally budget \$1M for the first year, of the MTW block grant to fund the program. The additional funding commitment allows for program expansion or unforeseen programmatic expenditures.

**Need/Justification for MTW Flexibility:** MTW Agreement Attachment C, Section B (1) (b) (iii) & (viii), Section B (1) (c), and Section B (1) (d) containing waivers of Sections 8 and 9 of the U.S. Housing Act of 1937 and 24 CFR 982 and 990 as necessary to implement single fund flexibility for Section 8 activities providing incentive payments to landlords; Section (D) (1) (d) containing waivers of Section 8 (o) (9) of the U.S. Housing Act of 1937 and 24 CFR 982.311 to implement a local vacancy payment policy; MTW Agreement Attachment D, Community Specific Authorizations to implement a local inspection protocol.

### **2016-1. THE MONARCH SCHOOL PROJECT**

**Activity Description:** In FY 2016, SDHC proposed a local, non-traditional tenant-based rental assistance program in partnership with a non-profit agency to offer affordable housing solutions to families with school-aged children. The Monarch School Project targets homeless families with children attending Monarch School (Monarch) and provides a rental subsidy to the families. As part of the initial program, parents engaged in work-readiness services while contributing to the children's academic development and progress. The program was projected to assist 25 families over the first three years of implementation. The re-proposal of the initiative allows us to provide the appropriate services as required by families to ensure long term stable housing. SDHC will ensure that families have access to the right intervention including permanent supportive housing (PSH), as required.

Monarch School is a public/private partnership between the San Diego County Office of Education and the Monarch School Project, a local non-profit agency. Since 1988, Monarch serves approximately 300 students annually and offers K-12 learning while delivering supportive services. Monarch removes barriers typically encountered by homeless students and provides programs and services not offered at traditional public schools. The proposed activity seeks to increase family stability and academic success by providing a secure living situation while ensuring families receive a full array of services and assistance. Currently, Monarch provides for needs such as nutritious meals, hygiene, clothing, school supplies, transportation, and counseling. Monarch will continue to offer the services as a component of the Monarch School Project.

Monarch School is dedicated to helping San Diego's homeless students break the cycle of poverty. The students live in shelters, motels, parks, cars, double- or triple-up with other families in small apartments, or on the streets. Oftentimes, students have been absent from school for long periods of time and are achieving below grade level when enrolled in Monarch. The typical student arrives at Monarch three years behind grade level, yet progresses one full year academically for every six months spent at Monarch. The proposed program will provide the housing stability necessary for achieving academic success.

In the initial years of implementation, SDHC has recognized that the range of services needed to ensure housing stability for the population. SDHC will commit to provide PSH level services and housing. We will continue providing additional services to all adult household members via the SDHC Achievement Academy's (AA) resources. The Achievement Academy is a state-of-the-art learning and skills center with a computer lab available to rental assistance participants. The AA provides access to a SDHC workforce readiness specialist and services to improve the quality of life. Services for personal growth include budgeting, banking, credit repair etc. Career focused services include resume preparation, workforce reentry, interviewing skills, trainings and job placement services.

*Program Duration and Subsidy Calculation Methodology:* The Monarch School Project will provide rental assistance to homeless families with at least one minor (defined as ages 4 to 19) attending Monarch. Families are required to meet the requirements of program like engaging in case management and Achievement Academy activities (based on population) and school-provided services as a condition of continued program participation. Additionally, families over 80 percent of the published Area Median Income for the given family size will not remain eligible for continued assistance; a six month transition will be granted to families leaving the program if program termination is not due to failure to comply with program requirements. Subsidies will be calculated at 28.5 percent of monthly income amounts and the applicable payment standards. A minimum rent of \$25 applies to the program. Assets, deductions, expenses, and allowances, including the utility allowance, will not be considered for purposes of calculating the subsidy. The initial subsidy will be determined at program entry and re-determined annually until the conclusion of program participation.

SDHC will provide services through its Landlord Engagement and Assistance Program such as security deposits, unit search assistance etc. to ensure families successfully locate appropriate housing upon program admission. Depending on the population served, SDHC may apply the *Path to Success* rent calculation structure to a specific allocation of subsidies. If the youngest child of an assisted family graduates from Monarch and SDHC determines the need for PSH for the family, we will consider transitioning the family to a voucher subsidy program to ensure ongoing stability.

*Administration:* SDHC staff will perform the subsidy calculations and assist Monarch with administering a streamlined eligibility. File audits will be conducted by SDHC to ensure program integrity.

For purposes of initial eligibility, criminal history will not be reviewed with the exception of sex offender status and manufacturing methamphetamines within federally funded properties. Federal and/or state registration as a sex offender will preclude individuals from participating in the program. Participants will be required to apply to the HCV tenant-based waitlist upon program admission.

*HQS Inspections:* Inspections will be conducted at program admission and biennially thereafter. Initial inspections will be conducted if the family moves to another unit. All SDHC HQS guidelines apply to the program.

*Waitlist:* The waitlist, administered by Monarch, will be based on referrals from the Coordinated Entry System (CES). Only families with children enrolled in Monarch will be selected and proceed through the application process. Enrollment in Monarch will be verified during the eligibility process. SDHC will audit the waitlist to ensure compliance.

**Statutory Objectives:** The activity will achieve the statutory objectives of increasing self-sufficiency through the rendering of supportive services and increasing housing choice for homeless families via the creation of rental subsidies.

**Anticipated Impacts:** The Monarch School Project is expected to create stability within a typically unstable population of San Diego by providing families with subsidies and the necessary resources. Anticipated impacts of the program include:

- Economic advancement
- Increased employment opportunities
- Improved stability and self-sufficiency
- Improved school achievement and attendance
- Improved social and emotional well being
- Creation of an additional 25 units of assisted housing

**Anticipated Timeline to Achieve Objectives:** The activity currently serves 22 families. The reproposal does not include increasing the program size and plans continue maintain the desired program size of 25 families. Given the population and the requirement for long term services, the proposed benchmarks should be achieved by June 30, 2023.

**Description of Data Source for Metrics:** Reports will be created in the housing management software to retrieve data related to the metrics and imported into an Excel spreadsheet for further analysis. A secondary reporting mechanism will be developed to collect data from partnering agencies. Data will be analyzed on an annual basis.

**Need/Justification for MTW Flexibility:** Broader Uses of Funds Authority amendment. SDHC will adhere to all requirements set forth in PIH Notice 2011-45.

Broader Uses of Funds Authority enables SDHC to create a local, non-traditional tenant-based rental assistance program and further enables the provision of case management and supportive services.

<p>2010-6. Simplify income and asset verification systems to reduce administrative costs</p>	<p>Restructures the verification hierarchy, and assets valued at less than \$10,000 are not verified. The activity utilizes the authority to adopt and implement policies to calculate the rent differing from program requirements. Update: No change in the status of the activity. <p>2010-7. Adopt a local interim certification policy</p>	<p>The local interim policy applies to non-elderly/non-disabled households and limits the number of interim adjustments to income to once in a 12 month timeframe. Additionally, decrease of income interims will be granted only if the loss of income is through no fault of the family, the decreased income results in a decrease to the rent portion greater than 20 percent, the decrease is not due to a sanction on public assistance income, and the family provides verification of eligibility or ineligibility for unemployment benefits if the reduced income is due to loss of employment. Update: The policy applies to work-able families as defined under Path to Success. The activity utilizes the authority to implement an interim certification protocol differing from current mandates, thus allowing for locally driven policies concerning income change interims for families categorized as "Work-Able". Re-proposed in the Fiscal Year 2012 Plan Amendment to adopt a policies stating an interim adjustment of income will not be processed unless the change to the rent portion is greater than 20% and the loss of income must not occur through fault of the family. Effective July 1, 2018, SDHC is eliminating the "No Fault Of Your Own" policy as a reason to deny an interim request for a decrease in the rent portion. A review and analysis of the policy indicated minimal benefits.</p>	<p>2010</p>	<p>July 1, 2011</p>	<p>N/A</p>	<p>Baselines, benchmarks, and metrics were modified in the Fiscal Year 2012 Plan Amendment due to the re-proposal.</p>	<p>N/A</p>

<p>2010-9. Expand the project-based voucher program</p>	<p>SDHC allocates a greater percent of budget authority to project-based vouchers to serve a variety of the homeless population and low-income households in the City of San Diego. Authorizations waived allow SDHC to project-base 100 percent of the units in a development; create project-specific waitlists; require the provision of supportive services in a development; utilize creative measures to allocate PBV in vacant and foreclosed properties; and designate greater than 20 percent of SDHC's allocation to PBV. Re-proposed in the Fiscal Year 2015 Plan to adopt additional flexibilities to require residents to participate in supportive services as a condition of tenancy; allow project-specific waiting lists maintained by the owners or non-profit providers; approve exception payment standards exceeding 110 percent of the FMR without requiring HUD approval; and increase the number of designated PBV units in a contract after the first three years of the contract have elapsed.</p>	<p>2010</p>	<p>September 1, 2009</p>	<p>N/A</p>	<p>N/A</p>	<p>N/A</p>

**ACTIVITIES ON HOLD**

ACTIVITIES ON HOLD								
Activity	Description	Plan Year	Implementation Date	Hold Date	Reason(s) Placed on Hold	Status Update	Anticipated Reactivation Timeline	Explanation of Nonsignificant Changes/Modifications
2014-3. Housing Subsidy Program for Homeless Youth	Using Broader Uses of Funds Authority, SDHC created a time-limited pilot program to provide flat housing subsidies while a partnering agency delivers supportive services such as job placement, education, training, and case management. Program participants were offered the option to participate in Achievement Academy activities to supplement the supportive services received from the sponsoring agency. The target population is expanded to encompass all sub-populations of homeless youth, as defined by HUD. The Coordinated Entry System will be utilized to identify homeless youth appropriate for the program. The modifications address an increase in the homeless population of youth in San Diego. The title of the initiative is revised to reflect the change in population served.	2014	N/A	January 1, 2019	SDHC published several requests for proposals in an attempt to implement the program. Despite several modifications to the target population, the competitive processes continue to render zero applications.	N/A	The timeline for reactivation is unclear. SDHC intended to formally implement the activity during Fiscal Year 2019 without success. The activity is placed on hold pending a decision on whether to pursue implementation again or close out the activity.	N/A
2010-8. Establish an HCV homeownership program	A homeownership program was created to assist income-eligible HCV participants with purchasing a home. Housing assistance payments are utilized to assist with a mortgage payment rather than as a rental payment. Incentives to purchase a foreclosed home are also program components. Waivers were enacted to modify the eligibility requirements for the program related to the minimum monetary threshold for savings accounts as well as implement the incentives for purchasing foreclosed homes.	2010	October 1, 2009	July 1, 2014	The program was placed on hold due to decreasing housing stock and the resulting increasing housing prices, thus creating a housing market no longer accessible to low-income Housing Choice Voucher participants. New applications were no longer be accepted effective July 1, 2014 for the program. Families currently participating in the homeownership program continue to receive assistance.	N/A	Re-implementation of the activity is currently anticipated for Fiscal Year 2018. SDHC will evaluate the program annually to determine the feasibility of re-activating the program. Criterion to be evaluated will include the level of available housing stock, median housing prices, and the administrative capacity to increase the number of Housing Choice Voucher homeowners.	N/A

CLOSED OUT ACTIVITIES

CLOSED OUT ACTIVITIES					
Activity	Description	Plan Year	Implementation Date	Date Closed Out	Reason(s) Closed Out
2014-1. Transitional Subsidy Program for Homeless Veterans	Using Broader Uses of Funds Authority, SDHC partners with Veteran's Village of San Diego (VVSD) to craft a transitional housing program using flat subsidies paired with supportive services. SDHC provides the housing subsidy while VVSD provides the supportive services.	2014	January 1, 2014	October 1, 2014	Veteran's Village of San Diego, the intended partnering agency for the program, indicated a preference to pursue an alternative rental subsidy program.
2013-5. Homeless Veteran Project-Based Subsidy Program	Creates a local, non-traditional project-based subsidy pilot program to provide housing to veterans who are either not yet ready to enter a more regulated program or who temporarily exit a program. SDHC partners with Veteran's Village of San Diego for this activity.	2013	N/A	September 30, 2013	Veteran's Village of San Diego determined the activity as neither economically advantageous or viable under current circumstances and requested permission to close out the activity.
2013-9. New Public Housing Transition	Families transitioning out of a state-aided rental assistance program (25% TTP) to the public housing program (30% TTP) receive a transition period during which the families pay more than 25 percent but less than 30 percent of adjusted household income toward the rent portion before moving to 30 percent at the end of the transition period.	2013	N/A	September 30, 2013	The flexibility requested under this initiative will not be required.
2012-4. Project-Based Subsidy Program for the Homeless	Using Broader Uses of Funds Authority, SDHC created a program which provides a flat subsidy based on the number of authorized units in the development; all program administration is performed by the development owner with monitoring and auditing performed by SDHC.	2012	N/A	December 31, 2014	SDHC determined the program structure as not advantageous to the agency's approach to ending homelessness on the City of San Diego. Efforts are focused in other development capacities.

**SECTION IV – APPROVED MTW ACTIVITIES: HUD APPROVAL PREVIOUSLY GRANTED**

2011-5. Disregard retirement accounts	SDHC disregards retirement accounts when verifying an applicant or participant's assets.	2011	August 1, 2010	June 30, 2015	The re-proposal of activity 2010-6 wherein assets are eliminated from the rent calculation eliminates the need for the activity.
2011-9. Enhance Family Self-Sufficiency Program	In the event the head of household is unable to enroll in the FSS program (such as due to a disability), an adult household member may enroll in the program as the sole participant.	2011	October 1, 2010	July 1, 2014	Per HUD's recommendation, the initiative will be combined with the FSS Reinvention activity via a re-proposal in the Fiscal Year 2015 MTW Annual Plan.
2011-10. Broader Uses of Funds for IDAs	SDHC received permission to utilize MTW broader use of funds authority to subsidize IDAs not authorized by federal regulations.	2011	July 1, 2010	June 30, 2011	The activity is a Section 8 activity not requiring regulatory waivers or broader uses of funds authority, but rather single-fund flexibility. The activity is no longer active.
2010-3. Triennial reexaminations for elderly and disabled households	Allows families defined as Elderly/Disabled to participate in a Triennial Reexamination Cycle. COLA updates to social security and veteran's benefits are processed in the "off" years. The activity was implemented using the authority to redefine the cycle utilized for the full reexamination of income and household composition.	2010	October 1, 2009	July 1, 2015	SDHC closed out the activity to streamline the reexamination process for Path to Success participants and rental assistance staff. Multiple reexamination processes for households proved difficult to administer when population changes occurred between Work-Able and Elderly/Disabled households. Path to Success households are placed on a biennial reexamination process effective with July 2015 reexamination. The PBV and FUP programs remain on an annual reexamination cycle.
2010-10. Undertake Public Housing development	Acquire, rehabilitate, or produce housing units as public housing.	2010	July 1, 2010	June 30, 2011	This activity was closed out in the Fiscal Year 2011 MTW Report. Public Housing development will occur under the Fiscal Year 2011 Public Housing Development initiative which combines the authorizations and flexibilities.
2009-1. Achievement Academy of the San Diego Housing Commission	The SDHC Achievement Academy, formerly known as the Economic Development Academy, offers a broad range of one-on-one services and workshops geared toward workforce preparation, financial literacy, and homeownership education.	2009	October 1, 2010	June 30, 2011	The activity is a Section 8 activity not requiring regulatory waivers or broader uses of funds authority. The activity is ongoing but reported as a single fund flexibility activity in Section 5 of the Plan.

<b>iii. Description of Planned Use of MTW Single Fund Flexibility</b>		
<p>SDHC utilizes single-fund flexibility to fund the Achievement Academy. The Achievement Academy is a learning and skills center available to families participating in the Housing Choice Voucher and Public Housing programs. Programs offered at the Achievement Academy are geared to workforce readiness and financial literacy. The Family Self-Sufficiency program is another component of the Achievement Academy. Please note: Individual Development Accounts are no longer funded with MTW single-fund flexibility. Please see the following pages for a thorough discussion of each activity.</p>		

### SINGLE FUND FLEXIBILITY

#### ENVISION CENTER DEMONSTRATION PROGRAM

In June of 2018, HUD announced the designation of EnVision Centers in 17 communities across the nation. SDHC was selected for the only designation in California, and only one of three co-located within a designated Promise Zone.

To provide maximum flexibility, one location will be housed in Southeast San Diego, bordering the Promise Zoe. The other location will be at SDHC's Achievement Academy. EnVision Centers will be open to any current households receiving SDHC's rental assistance and those on the waitlist. Other clients will be residents of the Promise Zone.

EnVision Centers will leverage public and private resources to help clients achieve goals to secure economic security. To foster long-lasting self-sufficiency, EnVision Centers will provide support in the following four pillars: Economic Empowerment; Education; Health/Wellness; and Character/Leadership.

#### ACHIEVEMENT ACADEMY

SDHC uses single-fund flexibility in support of MTW activities to enhance self-sufficiency programming. SDHC combines funds from public housing operating and capital fund assistance (authorized by section 9 of the United States Housing Act of 1937 [the Act]) and voucher funds (authorized by section 8 (o) of the Act) to implement a block grant/single fund budget approach to budgeting and accounting. SDHC has consolidated public housing and HCV program funds to implement the approved Moving to Work initiatives described in previously approved MTW Plans and will continue to do so in future Plans.

SDHC uses single-fund flexibility to conduct a variety of activities geared toward self-sufficiency. The Achievement Academy offers a broad range of one-on-one services and workshops geared toward workforce readiness and financial literacy. Partnerships with a variety of external organizations specializing in their fields enable SDHC to provide assistance to participants with different interests, career focuses, and skill levels. Leveraging funding from outside sources increases the services provided to participants. When possible, staff seeks to find grants that provide funding and coaching to assist both staff and participants. Following the Financial Opportunity Center (FOC) model, created by funding from the Local Initiatives Support Corporation (LISC), the Achievement Academy is able to provide robust services to participants that go beyond job leads and help provide self-sufficiency. The resources offered at the Achievement Academy are a vital component of the Path to Success rent reform activity as participants are incentivized to increase income and work towards self-sufficiency. SDHC plans to continue and grow these partnerships to better serve our families and increase economic self-reliance. The following describes services offered at the Achievement Academy:

#### **Employment/Workforce Development**

##### ***Job Developer***

One of the Achievement Academy Workforce Readiness Specialist (WRS) positions serves as a job developer and makes connections with employers of in-demand occupations; organizes job fairs; and coordinates employment services with partner organizations. Training for participants covers such topics as résumé writing, customer service, and how to retain a job. The Achievement Academy also partners with Manpower, an industry leader in employment services. Manpower helps to leverage connections in the business community to help open doors to companies that typically have been a struggle for participants to get into in the past.

##### ***One-Stop Career Center***

The KRA Corporation, a contractor from San Diego Workforce Partnership, provides services via a satellite One-Stop Career Center at the local downtown public library. The partner offers workforce development

services including labor market information, career development, assessment, job search/retention skills, job placement assistance, and referrals to training opportunities.

### ***Small Business Development Training***

Landeros & Associates, a business consulting firm in San Diego, leads the microenterprise program educating participants about how to start or expand a small business and how to create or update a solid business plan. The program provides basic skills training and knowledge to underserved entrepreneurs and also identifies and expands linkages to critical community resources linked to small business development. Landeros & Associates also connects participants with opportunities for additional small business training, technical assistance, and access to mainstream financial institutions to boost economic development.

### ***Employment/Workforce Development Workshops***

SDHC Achievement Academy Workforce Readiness Specialists conduct employment readiness workshops and provide access to temporary and permanent employment. The Achievement Academy also offers on-site recruitment fairs. Participants are invited to attend presentations and hear directly from human resources representatives how to get hired at their company. Topics covered range from the job application and résumé submittal process to interview preparedness and communication skills. Prior to some recruitments, participants may receive assistance in the Academy's computer lab to submit on-line applications for jobs that will be presented in the recruitment.

### ***Youth Programs***

Staff at the Achievement Academy work to offer innovative programing in an effort to keep participants interested and engaged. Recently, the Academy began offering programs for "opportunity youth", defined as young adults between sixteen and twenty-four years of age who are not working or enrolled in school. Students receive education counseling or career guidance. The Achievement Academy has partnered with International Rescue Committee (IRC) to provide additional training and services to these young adults. IRC is also able to offer intern placements to develop employment history. The partnership with IRC is offered as their funding allows.

### ***Academy Computer Lab***

Participants have access to the SDHC Achievement Academy's 30-station computer lab for career assessments, career exploration, labor market information, résumé building, and on-line job applications. In addition, Manpower provides individual participant access to the internet based Training Development Center which hosts over 5,000 on-line courses for skills development. The Achievement Academy partners with San Diego Futures Foundation (as funding allows) to offer beginning and intermediate computer skills (Word, Excel, Internet) classes to participants with minimum or no previous computer use experience.

## **Income Supports**

### ***THRIVE Initiative***

THRIVE is a partnership between the United Way, the County of San Diego, and South Bay Community Services. The purpose of the initiative is to enhance the accessibility of benefits screening and tax preparation services. Benefits screening and application assistance is currently offered for an array of program such as CalFresh (food stamps), CalWorks, Women Infants and Children (WIC), California Healthy Families, Child Care Assistance, MediCal, and Supplemental Nutrition Assistance Program (SNAP). On-site benefit screening appointments continue to be conducted for participants.

## **Financial Education**

### ***Financial Counseling***

The Achievement Academy employs a WRS that has been certified as a Financial Counselor. The Financial Counselor is able to offer on-site credit counseling in debt reduction, credit repair, budgeting, and cash

management skills. These services have been incorporated into the FOC service delivery model utilized within the Achievement Academy.

**Financial Skills Education Workshops**

Financial Education workshops are routinely offered in the following topic areas: Debt and credit repair; credit score improvement; controlling expenses; maintaining a financial fitness plan; electronic banking and direct employee deposits; budget management, ordering, reviewing, and repairing credit report; investments strategies and options; and pensions/retirement planning.

**Financial Coaching Training**

All SDHC WRS staff utilize the LISC *Financial Counseling Model* to implement innovative coaching methods during one-on-one appointments with participants. SDHC is also positioned to assist participants with improving credit through a partnership with Credit Builders Alliance. The ability to internally pull credit reports allows SDHC to further assist participants with accessing current credit ratings in order to begin aligning client goals for credit improvement to future financial and career goals.

### MTW BLOCK GRANT COMMITMENTS

SDHC anticipates committing MTW Block Grant funds towards the acquisition and preservation of affordable housing units in San Diego. SDHC's evaluation of agency priorities, budgetary projections, strategic plan action items, and the availability of viable development opportunities will inform the final allocation of funds towards agency endeavors in Fiscal Year 2020.

### UPDATE ON DEMOLITION OR DISPOSITION TRANSITIONAL FUNDING (DDTF) FUNDS

From Federal Fiscal Year 2014 through 2018, SDHC received over \$9.9 million in Capital Fund Program funding, inclusive of both Modernization and Demolition or Disposition Transitional Fund (DDTF). Expenditures, based upon a Green Physical Needs Assessment of SDHC's public housing units, have provided capital improvement specific to public housing, management improvements, or other traditional Capital Fund expenses. In Federal Fiscal Year 2019, the first year without the DDTF program, SDHC anticipates annual Capital Fund Modernization funds to be in amounts less than \$100,000 annually. SDHC will continue to integrate Capital Funds into the MTW block grant.

### DOCUMENTATION OF PUBLIC PROCESS

The San Diego Housing Commission (SDHC) formally solicited public comment on the Fiscal Year 2020 Annual Plan Draft in order to incorporate the ideas of participants, community advocates, and interested citizens into the proposed plan as well as answer questions pertaining to Moving to Work subject matter. A formal public hearing occurred on February 4, 2019 at the SDHC corporate office for the purposes of educating the public and receiving comments. A public notice was circulated in three local publications (Union Tribune, Voice & Viewpoint, and La Prensa) to encourage public involvement. In an attempt to encourage further participation among San Diego residents and program clients, SDHC issued personal invitations to a selected group of participants. The individuals receiving the personal invitations were current rental assistance recipients and therefore were positioned to provide practical suggestions and feedback. All methods of invitation provided residents of San Diego with multiple options for contacting appropriate personnel with comments if unable to attend the public hearing.

The following information will serve as proof of public hearing notice and community participation:

- ✓ Proof of Publication
- ✓ Public Hearing Sign-In Sheets

The public comment period formally commenced on January 31, 2019 when the draft MTW Plan was posted to the SDHC website. Public noticing referenced the location of the draft Plan. The close of the public comment period occurred on March 6, 2019. The public hearing will be conducted at the Achievement Academy located at 1045 11<sup>th</sup> Avenue, San Diego, CA 92101.

## NON-MTW RELATED SDHC INFORMATION

**City of San Diego Strategic Plan on Homelessness**

On behalf of the City of San Diego (City), the San Diego Housing Commission (SDHC) is overseeing the development of a comprehensive Strategic Plan for the City to address homelessness.

A high-level consultant with national recognition and broad expertise in the area of homelessness has been identified to direct the creation of the Strategic Plan. Ann Oliva is the Senior Policy Advisor to the CEO of the Corporation for Supportive Housing (CSH). CSH is a nationally recognized affordable housing industry consulting and planning agency that partners with communities on long- and short-term special initiatives to solve local housing and homelessness issues. Ms. Oliva currently focuses on supporting jurisdictions to increase local capacity to develop system-level responses to homelessness. Under the City of San Diego initiative, Ms. Oliva will lead a team of multidisciplinary experts from CSH to develop a comprehensive Strategic Plan to address homelessness within the City.

Prior to joining CSH, Ms. Oliva was the Deputy Assistant Secretary for Special Needs at the U.S. Department of Housing and Urban Development (HUD), where she oversaw a multibillion-dollar portfolio that included HUD's work on homelessness and housing for persons living with HIV/AIDS. During her 10-year tenure at HUD, Ms. Oliva successfully designed and implemented a variety of initiatives and programs, including a \$1.5 billion homelessness prevention and rapid rehousing program funded through the American Recovery and Reinvestment Act. In 2015, Ms. Oliva was named one of the 50 Most Influential Leaders in HUD's 50-year history.

SDHC leadership have discussed with Ms. Oliva and her team the contract expectations, Scope of Work, and deliverables. A core steering group has been developed that includes representatives from the Mayor's office, the office of the Chair of the City Council's Select Committee on Homelessness, the Regional Task Force on the Homeless (RTFH) and SDHC. The steering group is meeting weekly to discuss the objectives of the plan and to define and detail the Scope of Work and contract expectations.

The objective of this effort is to develop a comprehensive strategy to address homelessness in the City of San Diego, which identifies actionable approaches to address short- and long-term homelessness issues.

Significant solicitation of stakeholder input is critical to Strategic Plan development. Participation in the steering group builds into the project the leadership involvement from the Mayor's office, the City Council, the RTFH and the Housing Commission. However the planning process will also include robust activities in gathering input and critical areas of focus from key stakeholders.

The final, complete version of the proposed City Strategic Plan on Homelessness is expected to be presented to the City Council in summer 2019.

**\$50 Million Investment for Affordable Housing**

On September 4, 2018, SDHC announced that up to \$50 million administered by the agency is available through three Notices of Funding Availability (NOFA) for the creation and preservation of affordable rental housing, including units to address homelessness.

*SDHC Notices of Funding Availability  
News Conference – September 4, 2018*

The available development funding consists of:

- **Up to \$20 million to create affordable rental housing with supportive services for San Diegans experiencing homelessness.** These funds are part of the current phase of [HOUSING FIRST – SAN DIEGO](#), SDHC’s homelessness action plan, which launched on July 1, 2017. This NOFA also includes 525 federal rental housing vouchers committed by SDHC to provide rental assistance for San Diegans experiencing homelessness. Of these, 25 vouchers are for homeless Veterans through SDHC’s partnership with the U.S. Department of Housing and Urban Development (HUD) and the U.S. Department of Veterans Affairs (VA). HOUSING FIRST – SAN DIEGO included the commitment of up to \$30 million in development funds over three years. The first \$10 million was available during Fiscal Year (FY) 2018. ### **SDHC President & CEO Named Chairman of National Affordable Housing Advisory Council**

SDHC President & CEO Richard C. Gentry will serve in 2019 as the Chairman of a new council that will advise Fannie Mae on how to best support the creation and preservation of affordable housing.

The Public Housing Authorities Duty to Serve Advisory Council, which includes at least 10 public housing agency representatives from throughout the United States, will meet with Fannie Mae leadership and staff to discuss affordable housing issues.

The council was formed under the Duty to Serve Program of the Federal Housing Finance Agency – which oversees Fannie Mae and Freddie Mac. The Duty to Serve Program was created in response to the Housing and Economic Recovery Act of 2008.

The program requires Fannie Mae and Freddie Mac to engage in lending to support housing opportunities for low- and moderate-income households, focusing on three underserved housing markets: Affordable Housing Preservation, Manufactured Housing, and Rural Housing.

Fannie Mae's objectives and priorities for affordable housing preservation are included in a report, *Duty to Serve Underserved Markets Plan for the Affordable Housing Preservation Market*.

As the Chairman of the Public Housing Authorities Duty to Serve Advisory Council for 2019, Mr. Gentry will be responsible for guiding the topics on the council's agenda and, along with the vice chair, approving requests for substitutions or changes to council membership.

Mr. Gentry was named to the council in October 2018 for a two-year term.
