

REPORT TO THE HOUSING AUTHORITY OF THE CITY OF SAN DIEGO

DATE ISSUED: December 4, 2019 **REPORT NO:** HAR19-044

ATTENTION: Chair and Members of the San Diego Housing Commission

For the Agenda of December 10, 2019

SUBJECT: Preliminary Bond Authorization for Mercado Apartments

COUNCIL DISTRICT: 8

REQUESTED ACTION

Take the initial steps to issue Housing Authority of the City of San Diego tax-exempt Multifamily Housing Revenue Bonds to facilitate the acquisition and rehabilitation of Mercado Apartments, a 144-unit, affordable housing development, located at 2001 Newton Avenue, in the in the Barrio Logan Neighborhood, which will include 142 units that will remain affordable for 55 years.

STAFF RECOMMENDATION

That the Housing Authority of the City of San Diego (Housing Authority) take the following actions, as described in this report.

- 1) Approve the following preliminary steps to issue Housing Authority tax-exempt Multifamily Housing Revenue Bonds to facilitate the development of Mercado Apartments, a 144-unit affordable housing development, located in the Barrio Logan Neighborhood, which will include 142 units that will remain affordable for 55 years:
 - a. Issue a bond inducement resolution (Declaration of Official Intent) for up to \$35,000,000 in Multifamily Housing Revenue Bonds for the development of Mercado Apartments by a limited partnership formed by MAAC Housing Corporation, (Mercado 2019 LP);
 - b. Authorize an application (and subsequent applications, if necessary) to the California Debt Limit Allocation Committee (CDLAC) for an allocation of authority to issue tax-exempt private activity bonds in an amount up to \$35,000,000 for Mercado Apartments; and
 - c. Approve the financing team of Orrick, Herrington and Sutcliffe LLC as Bond Counsel and CSG Advisors as Financial Advisor;
- 2) Authorize the San Diego Housing Commission (Housing Commission) President & Chief Executive Officer (President & CEO), or designee, to execute any and all documents that are necessary to effectuate the transaction and implement these approvals in a form approved by General Counsel and bond counsel, and to take such actions as are necessary, convenient, and/or appropriate to implement these approvals upon advice of General Counsel and/or the bond counsel.

The Development

Mercado Apartments is an existing affordable housing development, originally built in 1949 and renovated in 1994, located at 2001 Newton Avenue, San Diego, CA 92113, that is composed of 144 rental units (Attachment 2 – Site Map) in twenty-three two-story garden style buildings. The buildings are wood-frame construction on concrete-slab foundations with painted stucco exteriors and flat roofs. Amenities include a two-story elevator-served, community building that contains a community room with kitchen, computer room, leasing office, service coordination space, and an on-site daycare space. The site also contains a laundry building, playground, electric vehicle charging stations, perimeter fencing and 213 surface parking spaces.

Metropolitan Area Advisory Committee on Anti-Poverty (MAAC) Project's Community Development approach works to build a supportive community that includes quality property management, tenant governance councils, culturally sensitive social services, work skill enhancement programs, community leadership and organization, and intervention strategies for children and youth. A comprehensive residents' program is provided, including but not limited to: a diverse and culturally appropriate library, an After-School Reading Program, on-site childcare (HeadStart), a lunch program, and summer camp participation programs. Experienced Community Development staff, resident volunteers, college, high school and other community volunteers support these on-site programs.

The developer has an executed a Purchase and Sale Agreement with the current owner, Mercado Apartments, L.P., an affiliate of MAAC, for the purchase of the project site.

Project Sustainability

Mercado Apartments will comply with the California Tax Credit Allocation Committee's (TCAC) minimum energy efficiency standards. Additionally, the project offers electric vehicle charging stations.

Development Team

Mercado Apartments will be co-owned by an affiliate of MAAC. The development will be renovated by a to-be determined General Contractor. Additionally, the tax credit investor will be identified later in the development process. Mercado Apartments 2019 L.P., (a to-be-formed limited partnership) will own and operate Mercado Apartments. Statements for public disclosure for MAAC are included in Attachment 3.

Founded in 1965, MAAC, based in San Diego, is a nonprofit, mission-driven organization. MAAC's mission statement is "Maximizing self-sufficiency with families and individuals through high-quality programs and advocacy in our communities." To date, MAAC has developed nearly 1,000 units of affordable housing in San Diego County.

Financing Structure

Mercado Apartments has an estimated total development cost of \$43,973,053. Financing will include a combination of tax-exempt Multifamily Housing Revenue Bonds, 4 percent tax credits, Seller Note, and deferred developer fee.

No Housing Commission loan proceeds will be provided to this development. Additionally, an existing SDHC loan, will be paid off in full as part of this redevelopment. The loan value is approximately \$3.4 million.

Estimated permanent sources and uses of financing are provided in Table 3. The developer's project proforma is provided as Attachment 4.

Table 3 – Mercado Apartments Estimated Sources and Uses of Financing

Permanent Financing Sources	Amounts	Permanent Financing Uses	Amounts
Permanent Loan	\$16,603,469	Acquisition Costs	\$23,190,000

Residual Receipt Loans Accrued	\$600,000		
Interest			
Total Development Cost	\$43,973,053	Total Development Cost	\$43,973,053

Developer Fee

The net cash developer fee shall be \$2,840,281 provided, however, that in the event financing terms or construction costs change and result in a financing gap, the developer is deferring \$957,032 of fee and may

defer additional developer fee. No Housing Commission loan proceeds are to be provided to this development. As such, the developer fee for Mercado Apartments is in compliance with TCAC and CDLAC regulations.

On April 25, 2017, the Housing Authority approved the "Request for Approval of Updated Developer Fees" (Report No. HAR 17-011; Resolution No. HA-1727). That report approved certain developer fee guidelines for multifamily loans and bond issuances. Attachment 1 to that report stated: "Developer Fee [for] 4% tax credits, in project costs: 15% eligible basis...." The developer is proposing a \$2,840,281 preliminary developer fee associated with the residential portion of development, which complies with HAR 17-011. The proposed fee is in conformance with the "Request for Approval of Updated Developer Fees" guidelines approved by the Housing Authority on April 25, 2017.

Prevailing Wages

The proposed project is not subject to payment of state prevailing wages

Development Cost Key Performance Indicators

Housing Commission staff has identified development cost performance indicators, which were used to evaluate the proposed development. The key performance indicators listed in Table 4 are commonly used by real estate industry professionals and affordable housing developers.

Table 4 – Key Performance Indicators

1 4 2 1 1 1 2 2	1 clioi munee indicators	
Development Cost Per Unit	\$43,973,053 ÷ 144 units =	\$305,368
Land Cost Per Unit	\$23,190,000 ÷ 144 units =	\$161,041
Gross Building Square Foot Hard Cost	\$11,880,179 ÷ 129,000 sq. ft. =	\$92
Net Rentable Square Foot Hard Cost	\$11,880,179 ÷ 126,910 sq. ft. =	\$94

Project Comparison Chart

Multiple factors and variables influence the cost of developing multifamily affordable housing, including but not limited to project location, site conditions, site improvements needed, environmental factors, land use approval process, community involvement, construction type, design requirements/constraints, economies of scale, City impact fees, developer experience and capacity, and amenities necessary to gain tax credit approval. Table 5 shows a comparison of the subject property and other developments of the same construction type.

The residential cost per unit for Mercado Apartments is in line with recently constructed comparable affordable housing developments in San Diego.

Proposed Housing Bonds

The Housing Commission utilizes the Housing Authority's tax-exempt borrowing status to pass on lower interest rate financing (and make 4 percent low-income housing tax credits available) to developers of affordable rental housing. The Housing Authority's ability to issue bonds is limited under the U.S. Internal Revenue Code. To issue bonds for a development, the Housing Authority must first submit an application to the California Debt Limit Allocation Committee (CDLAC) for a bond allocation. Prior to submitting applications to CDLAC, developments are brought before the Housing Commission, Housing Authority, and City Council. Housing Authority bond inducement resolutions must be obtained prior to application submittal, and City Council Tax Equity and Fiscal Responsibility Act (TEFRA) resolutions must be secured no later than 30 days after application submittal. These actions do not obligate the Housing Authority to issue bonds.

The developer plans to submit a bond allocation application to CDLAC in January 2020 for a March 2020 bond allocation meeting; however, if necessary, staff will submit additional applications to CDLAC to secure a bond allocation for the development.

The developer will be seeking a CDLAC bond allocation of approximately \$35,000,000. The developer proposes to have the Housing Authority issue the bonds through a tax-exempt public offering bond issuance. The bonds will meet all requirements of the Housing Commission's Multifamily Housing Revenue Bond Program policy and will fully comply with the City of San Diego's (City) ordinance on bond disclosure.

The developer proposes that the bonds will be used to provide construction and permanent financing for acquisition and construction of the project. Housing Commission staff will later return to both the Housing Commission and Housing Authority for approval of the final bonds and transaction documents. A general description of the Multifamily Housing Revenue Bond Program and the actions that must be taken by the Housing Authority and by the City Council to initiate and finalize proposed financings are described in Attachment 5.

Staff recommends assigning Orrick as Bond Counsel and CSG Advisors as Financial Advisor to work on the development. The proposed financing team members have been selected in accordance with the existing policy for the issuance of bonds. Financial Advisors and Bond Counsels are selected in accordance with the Housing Commission's Bond Policy.

AFFORDABLE HOUSING IMPACT

Under the proposed bond financing, Mercado Apartments would restrict 56 units to households with incomes at or below 35 percent of San Diego Area Median Income (AMI), 5 units with incomes at or below 50% AMI, and the remaining 84 affordable units will be at or below 60 percent of the San Diego Area Median Income (AMI). The affordable units will be restricted for a 55-year term. This represents an additional 25 years of affordability from the current restrictions, set to expire in 2049. Table 6 summarizes the affordability:

 Housing Authority Preliminary Bond Consideration 	• December 10, 2019
 TCAC and CDLAC application submittals 	• January 2020
 TCAC and CDLAC allocation meetings 	• March 2020
 Housing Commission final bond authorization 	• April 2020
 Housing Authority final bond authorization 	• May 2020
 Estimated bond issuance and escrow closing 	• June 2020
• Estimated start of construction work	• June 2020
 Estimated completion of construction work 	• June 2021

FISCAL CONSIDERATIONS

The proposed funding sources and uses approved by this action are not included in the Housing Authority-approved Fiscal Year (FY) 2020 Housing Commission Budget. Approving this action will increase the FY 2020 total budget.

Funding sources approved by this action will be as follows: Bond Issuance Fees - \$87,500 (.0025 bond issuer fee x \$35,000,000)

Funding uses approved by this action will be as follows: Administration Costs - \$87,500

Approval of the bond inducement and TEFRA resolutions does not commit the Housing Authority to issue the bonds. The bonds would not constitute a debt of the City. If bonds are ultimately issued for the development, the bonds will not financially obligate the City, the Housing Authority or the Housing Commission because security for the repayment of the bonds will be limited to specific private revenue sources of the development. Neither the faith and credit nor the taxing power of the City or the Housing Authority would be pledged to the payment of the bonds. The developer is responsible for the payment of all costs under the financing, including

December 4, 2019 Preliminary Bond Authorization for Mercado Apartments Page 7

the Housing Commission annual administrative fee, as well as Housing Commission Bond Council and Financial Advisor fees.

COMMUNITY PARTICIPATION and PUBLIC OUTREACH EFFORTS

As required by the Housing Commission Bonds Program, the developer must present their proposal for Mercado Apartments to local community boards for review. The project will be presented at the November 20th or December 18th meeting of the Barrio Logan Planning Group.

KEY STAKEHOLDERS and PROJECTED IMPACTS

Stakeholders include MAAC, Mercado Apartments residents and the Barrio Logan Community. Development of the property is expected to have a positive impact on the community because it will redevelop the site and provide continued affordable housing opportunities to tenants.

ENVIRONMENTAL REVIEW

This activity is not a "project" and is therefore not subject to the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15060(c)(3). This determination is predicated on Section 15004 of the Guidelines, which provides direction to lead agencies on the appropriate timing for environmental review. This action does not constitute approval of a project. Approval will occur once the environmental review has been completed in accordance with CEQA Section 15004. This action will not foreclose review of alternatives or mitigation measures by the public as part of the CEQA process. The proposed actions are approval of preliminary steps to issue bonds and do not constitute approval of the development activity or authorization for the issuance of bonds. Future actions to consider and approve development entitlement approvals related to the future development of the site will require additional review under the provisions of CEQA by the lead agency. Processing under the National Environmental Policy Act (NEPA) is not required as no federal funds are involved in this action.

ATTACHMENT 5 HOUSING COMMISSION MULTIFAMILY HOUSING REVENUE BOND PROGRAM SUMMARY

General Description: The multifamily housing bond program provides below-market financing (based on bond interest being exempt from income tax) for developers willing to set aside a percentage of project units as affordable housing. Multifamily housing revenue bonds are also known as "private activity" bonds because the projects are owned by private entities, often including nonprofit sponsors and for-profit investors.

Bond Issuer: Housing Authority of the City of San Diego. There is no direct legal liability to the City, the Housing Authority or the Housing Commission in connection with the issuance or repayment of bonds. There is no pledge of the City's faith, credit or taxing power nor of the Housing Authority's faith or credit. The bonds do not constitute a general obligation of the issuer because security for repayment of the bonds is limited to specific private revenue sources, such as project revenues. The developer is responsible for the payment of costs of issuance and all other costs under each financing.

Affordability: Minimum requirement is that at least 20% of the units are affordable at 50% of Area Median Income (AMI). Alternatively, a minimum of 10% of the units may be affordable at 50% AMI with an additional 30% of the units affordable at 60% AMI. The Housing Commission requires that the affordability restriction be in place for a minimum of 15 years. Due to the combined requirements of state, local, and federal funding sources, projects financed under the Bond Program are normally affordable for 30-55 years and often provide deeper affordability levels than the minimum levels required under the Bond Program.

Rating: Generally "AAA" or its equivalent with a minimum rating of "A" or, under conditions that meet IRS and Housing Commission requirements, bonds may be unrated for private placement with institutional investors (typically, large banks). Additional security is normally achieved through the provision of outside credit support ("credit enhancement") by participating financial institutions that underwrite the project loans and guarantee the repayment of the bonds. The credit rating on the bonds reflects the credit quality of the credit enhancement provider.

Approval Process:

• Inducement Resolution: The bond process is initiated when the issuer (Housing Authority) adopts an "Inducement Resolution" to establish the date from which project costs may be reimbursable from bond proceeds (if bonds are later issued) and to authorize staff to work with the financing team to perform a due diligence process. The Inducement Resolution does not represent any commitment by the Housing Commission, Housing Authority, or the developer to proceed with the financing.

• TEFRA Hearing and Resolution (Tax Equity and Fiscal Responsibility Act of 1982): To assure that projects making use of tax-exempt financing meet appropriate governmental purposes and provide reasonable public benefits, the IRS Code requires that a public hearing be held and that the issuance of bonds be approved by representatives of the governmental unit with jurisdiction over the area in which the project is located (City Council). This process does not make the City financially or legally liable for the bonds or for the project.

[Note: It is uncommon for the members of the City Council to be asked to take two actions at this stage in the bond process---one in their capacity as the City Council (TEFRA hearing and resolution) and another as the Housing Authority (bond inducement). Were the issuer (Housing Authority) a more remote entity, the TEFRA hearing and resolution would be the only opportunity for local elected officials to weigh in on the project.]

- Application for Bond Allocation: The issuance of these "private activity bonds" (bonds for projects owned by private developers, including projects with nonprofit sponsors and for-profit investors) requires an allocation of bond issuing authority from the State of California. To apply for an allocation, an application approved by the Housing Authority and supported by an adopted inducement resolution and by proof of credit enhancement (or bond rating) must be filed with the California Debt Limit Allocation Committee (CDLAC). In addition, evidence of a TEFRA hearing and approval must be submitted prior to the CDLAC meeting.
- Final Bond Approval: The Housing Authority retains absolute discretion over the
 issuance of bonds through adoption of a final resolution authorizing the issuance.
 Prior to final consideration of the proposed bond issuance, the project must
 comply with all applicable financing, affordability, and legal requirements and
 undergo all required planning procedures/reviews by local planning groups, etc.
- Funding and Bond Administration: All monies are held and accounted for by a third party trustee. The trustee disburses proceeds from bond sales to the developer in order to acquire and/or construct the housing project. Rental income used to make bond payments is collected from the developer by the trustee and disbursed to bond holders. If rents are insufficient to make bond payments, the trustee obtains funds from the credit enhancement provider. No monies are transferred through the Housing Commission or Housing Authority, and the trustee has no standing to ask the issuer for funds.

Bond Disclosure: The offering document (typically a Preliminary Offering Statement or bond placement memorandum) discloses relevant information regarding the project, the developer, and the credit enhancement provider. Since the Housing Authority is not responsible in any way for bond repayment, there are no financial statements or summaries about the Housing Authority or the City that are included as part of the offering document. The offering document includes a paragraph that states that the

Housing Authority is a legal entity with the authority to issue multifamily housing bonds and that the Housing Commission acts on behalf of the Housing Authority to issue the bonds. The offering document also includes a paragraph that details that there is no pending or threatened litigation that would affect the validity of the bonds or curtail the ability of the Housing Authority to issue bonds. This is the extent of the disclosure required of the Housing Authority, Housing Commission, or the City. However, it is the obligation of members of the Housing Authority to disclose any material facts known about the project, not available to the general public, which might have an impact on the viability of the project.

RESOLUTION NUMBER HA	
DATE OF FINAL PASSAGE	

A RESOLUTION OF THE HOUSING AUTHORITY OF THE CITY OF SAN DIEGO SETTING FORTH ITS OFFICIAL INTENT TO ISSUE MULTIFAMILY HOUSING REVENUE BONDS TO FINANCE MERCADO APARTMENTS AND AUTHORIZING RELATED ACTIONS

WHEREAS, pursuant to Chapter 1 of Part 2 of Division 24 of the Health and Safety Code of the State of California, as amended (Act), the Housing Authority of the City of San Diego (Authority) is authorized to issue revenue bonds for the purpose of financing the acquisition, rehabilitation and equipping of multifamily rental housing and for the provision of capital improvements in connection with and determined necessary to the multifamily rental housing; and

WHEREAS, MAAC Housing Corporation (MAAC) has requested that the Authority issue and sell multifamily housing revenue bonds or notes (Bonds) pursuant to the Act for the purpose of making a loan to Mercado 2019 LP, or an affiliate or other limited partnership formed by MAAC (Borrower), to be used by the Borrower to finance the acquisition, rehabilitation and equipping of a multifamily rental housing development to be located at 2001 Newton Avenue, in San Diego, California, as identified in Exhibit A hereto (Project); and

WHEREAS, as a part of financing the Project, the Authority desires to reimburse the Borrower, but only from Bond proceeds, for expenditures (Reimbursement Expenditures) made in

connection with the Project within the period from the date sixty (60) days prior to the date of the adoption of this Resolution to the date of issuance of the Bonds; and

WHEREAS, sections 1.103-8(a)(5) and 1.150-2 of the United States Treasury Regulations (Treasury Regulations) require the Authority to declare its reasonable official intent to reimburse prior expenditures for the Project with proceeds of a subsequent tax-exempt borrowing; and

WHEREAS, the Authority wishes to declare its intention to authorize the issuance of the Bonds for the purpose of financing the costs of the Project (including reimbursement of the Reimbursement Expenditures, when so requested by the Borrower upon such terms and conditions as may then be agreed upon by the Authority, the Borrower and the purchaser or underwriter of the Bonds) in an aggregate principal amount not to exceed \$35,000,000, as set forth in Exhibit A; and

WHEREAS, section 146 of the Internal Revenue Code of 1986 limits the amount of multifamily housing mortgage revenue bonds that may be issued in any calendar year by entities within a state and authorizes the governor or the legislature of a state to provide the method of allocation within the state; and

WHEREAS, Chapter 11.8 of Division 1 of Title 2 of the California Government Code governs the allocation of the state ceiling among governmental units in the State of California having the authority to issue private activity bonds; and

WHEREAS, section 8869.85 of the California Government Code requires a local agency desiring an allocation of the state ceiling to file an application with the California Debt Limit Allocation Committee (CDLAC) for such allocation, and CDLAC has certain policies that are to be satisfied in connection with any such allocation; NOW, THEREFORE,

BE IT RESOLVED, by the Board of Commissioners of the Housing Authority of the City of San Diego, as follows:

Section 1. <u>Findings and Determinations</u>.

- (a) The above recitals, and each of them, are true and correct. The Authority hereby determines that it is necessary and desirable to provide financing for the Project (including reimbursement of the Reimbursement Expenditures) by the issuance and sale of the Bonds pursuant to the Act in an aggregate principal amount not to exceed \$35,000,000, as set forth in Exhibit A, subject to authorization of the issuance of the Bonds by resolution of the Authority at a meeting to be held for such purpose. The expected date of issuance of the Bonds is within eighteen (18) months of the later of the date the first Reimbursement Expenditure was made and the first date the Project is placed in service and, in no event, later than three (3) years after the date of the first Reimbursement Expenditure.
- (b) Proceeds of the Bonds to be used to reimburse for Project costs are not expected to be used directly or indirectly to pay debt service with respect to any obligation or to be held as a reasonably required reserve or replacement fund with respect to an obligation of the Authority or any entity related in any manner to the Authority, or to reimburse any expenditure that was originally paid with the proceeds of any obligation, or to replace funds that are or will be used in such manner.
- (c) As of the date hereof, the Authority has a reasonable expectation that the Bonds will be issued to reimburse Project costs. This Resolution is consistent with the budgetary and financial circumstances of the Authority, as of the date hereof. The Bonds will be repaid solely from amounts paid by the Borrower, expected to consist of revenues derived from the Project,

and/or proceeds of the Bonds issued for capitalized interest. No other moneys are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside by the Authority (or any related party) pursuant to its budget or financial policies to repay the Bonds.

Section 2. <u>Declaration of Official Intent.</u> This Resolution is being adopted by the Authority in part for purpose of establishing compliance with the requirements of sections 1.103-8(a)(5) and 1.150-2 of the Treasury Regulations. In such regard, the Authority hereby declares its official intent to use proceeds of the Bonds to reimburse the Reimbursement Expenditures. This action is taken expressly for the purpose of inducing the Borrower to undertake the Project, and nothing contained herein shall be construed to signify that the Project complies with planning, zoning, subdivision, environmental and building laws and ordinances applicable thereto or to suggest that the Authority, the City of San Diego (City) or any officer or agent of the City will grant any such approval, consent or permit that may be required in connection with the acquisition, rehabilitation and equipping of the Project, or that either the Authority or the City will make any expenditure, incur any indebtedness, or proceed with the financing of the Project.

Authority are hereby authorized and directed to apply to CDLAC for an allocation from the state ceiling of private activity bonds to be issued by the Authority for the Project in an amount not to exceed \$35,000,000 and to take any and all other actions as may be necessary or appropriate in connection with such application, including but not limited to the payment of fees, the posting of deposits, the provision of certificates, and the submittal of additional applications to CDLAC (if necessary), and any such actions heretofore taken by such officers and program managers are hereby ratified, approved and confirmed.

(HA-2020-15)

Section 4. Effective Date. This Resolution shall take effect immediately upon its

adoption.

Section 5. Approval of Bond Counsel and Financial Advisor. The financing team of

Orrick, Herrington & Sutcliffe LLP as bond counsel and CSG Advisors, as financial advisor, is

approved for the Project.

Section 6. Authority of President & Chief Executive Officer of Housing Commission.

The President & Chief Executive Officer of the Housing Commission, or designee, is

authorized to execute all necessary documents, in a form approved by its General Counsel and/or

Bond Counsel, and to perform such acts as are necessary to implement the approvals provided for

in this Resolution.
