City of San Diego Safe Parking Program

Operating Agreement and Memorandum of Understanding

June 16, 2020

Lisa Jones
Senior Vice President
Homeless Housing Innovations

Casey Snell
Director, Housing First Administration
Homeless Housing Innovations
The Safe Parking Program was incorporated into the City of San Diego’s Homeless Services Programs effective July 1, 2018.

Jewish Family Service has operated the Safe Parking Program since program implementation.

The City is transferring oversight and administration of the Program to SDHC, effective July 1, 2020.

A Sole Source justification will be utilized instead of a competitive procurement process to facilitate the transfer of the Safe Parking Program to SDHC.
The City’s Safe Parking Program provides a safe place to park and sleep for individuals and households experiencing homelessness in the City of San Diego while they work with staff to transition to longer term or permanent housing.

The Safe Parking Program utilizes national best practices and a Housing First Model, which ensures low-barrier entry into the program.

Services include housing navigation and case management.

Lola and her family stayed nights in their minivan at a safe parking lot before they connected with SDHC and moved into an SDHC-owned apartment.
