

HOUSING COMMISSION EXECUTIVE SUMMARY SHEET

MEETING DATE: January 7, 2022

HCR22-012

SUBJECT: Tax Equity and Fiscal Responsibility Act (TEFRA) Hearing and Revision to the Bond Financing Team for The Junipers Apartments

COUNCIL DISTRICT(S): 5

ORIGINATING DEPARTMENT: Real Estate Division

CONTACT/PHONE NUMBER: Colin Miller (619) 578-7429

REQUESTED ACTION:

Hold a Tax Equity and Fiscal Responsibility Act (TEFRA) public hearing approving the Housing Authority's issuance of tax-exempt Multifamily Housing Revenue Bonds in an amount up to \$19,500,000 to Junipers CIC, L.P. to fund the development of The Junipers Apartments, a new three-story affordable senior housing development to be located at the northwest corner of Interstate 15 and Carmel Mountain Road in the Rancho Peñasquitos neighborhood, which will consist of 80 units affordable for 55 years for seniors earning 30 percent to 60 percent of the San Diego Area Median Income (AMI) and one unrestricted manager's unit.

EXECUTIVE SUMMARY OF KEY FACTORS:

- The Junipers is a proposed 81-unit, new construction, affordable rental housing development on vacant land. These new apartments will be located on a 2.1-acre parcel within the Lennar Homes' 536-unit master-planned development known as The Junipers.
- The Housing Authority of the City of San Diego (Housing Authority) held a TEFRA hearing for the proposed development and approved a TEFRA resolution (R-313400) on December 15, 2020.
- Pursuant to IRS Code requirements, the TEFRA public hearing is valid for 12 months, and thereafter, needs to be renewed with a new TEFRA hearing.
- The San Diego Housing Commission (Housing Commission) is authorized to hold TEFRA hearings pursuant to Multifamily Mortgage Revenue Bond Program Policy Amendments the Housing Authority approved March 9, 2021 (Resolution No. HA-1906).
- After the Housing Commission and Housing Authority approved preliminary steps to issue bonds, the designated Bond Counsel, Kutak Rock LLP, notified the Housing Commission that are unwilling to file a required Statement of Economic Interest.
- The Housing Commission proposes selecting Quint & Thimmig LLP as the replacement Bond Counsel for The Junipers Apartments development.
- The developer is Chelsea Investment Corporation.
- The total development cost is estimated at \$33,599,303 (\$414,806 per unit).
- Housing Commission loan proceeds will not be provided to this development.
- These proposed approvals are part of the preliminary bond-issuance steps.
- Additional Housing Authority action is required to authorize final bond issuance at a later date.

REPORT

DATE ISSUED: December 29, 2021

REPORT NO: HCR22-012

- **ATTENTION:** Chair and Members of the San Diego Housing Commission For the Agenda of January 7, 2022
- **SUBJECT:** Tax Equity and Fiscal Responsibility Act (TEFRA) Hearing and Revision to the Bond Financing Team for The Junipers Apartments

COUNCIL DISTRICT: 5

REQUESTED ACTION

A Tax Equity and Fiscal Responsibility Act (TEFRA) hearing is scheduled to be heard by the San Diego Housing Commission (Housing Commission) Board of Commissioners on January 7, 2022, at 9 a.m. Any two members of the Housing Authority of the City of San Diego (Housing Authority) or San Diego City Council (City Council) may request that this hearing not take place and instead be heard by the Housing Authority and City Council by giving notice to the Housing Commission's President & Chief Executive Officer, or designee, within seven days of the date of this notice.

Hold a Tax Equity and Fiscal Responsibility Act (TEFRA) public hearing approving the Housing Authority's issuance of tax-exempt Multifamily Housing Revenue Bonds in an amount up to \$19,500,000 to Junipers CIC, L.P. to fund the development of The Junipers Apartments, a new three-story affordable senior housing development to be located at the northwest corner of Interstate 15 and Carmel Mountain Road in the Rancho Peñasquitos neighborhood, which will consist of 80 units affordable for 55 years for seniors earning 30 percent to 60 percent of the San Diego Area Median Income (AMI) and one unrestricted manager's unit.

STAFF RECOMMENDATION

That the San Diego Housing Commission (Housing Commission) take the following actions:

- Hold a Tax Equity and Fiscal Responsibility Act (TEFRA) public hearing approving the Housing Authority's issuance of tax-exempt Multifamily Housing Revenue Bonds in an amount up to \$19,500,000 to Junipers CIC, L.P. to fund the development of The Junipers Apartments, a new threestory affordable senior housing development to be located at the northwest corner of Interstate 15 and Carmel Mountain Road in the Rancho Peñasquitos neighborhood, which will consist of 80 units affordable for 55 years for seniors earning 50 percent to 60 percent of the San Diego Area Median Income (AMI) and one unrestricted manager's unit; and
- 2) Approve the revised Bond Financing team of Quint & Thimmig L.L.P. as Bond Counsel and CSG Advisors as Financial Advisor.

Background

On November 13, 2020, and December 15, 2020, respectively, the Housing Commission (Report No. HCR20-110) and the Housing Authority (Report HAR20-045; Resolution HA-1893) approved taking certain preliminary steps to finance the new construction of The Junipers Apartments. Those approved actions included:

- Issuing a bond inducement resolution (Declaration of Official Intent) for up to \$19,500,000 in Multifamily Housing Revenue Bonds supporting the development of The Junipers Apartments by Juniper CIC, L.P., a limited partnership formed by the Chelsea Investment Corporation.
- 2) Authorizing an application (and subsequent applications, if necessary) to the California Debt Limit Allocation Committee (CDLAC) for an allocation of authority to issue tax-exempt private activity bonds in an amount up to \$19,500,000 for The Junipers Apartments; and
- 3) Approving the Bond Financing team of Kutak Rock L.L.P. as Bond Counsel and CSG Advisors as Financial Advisor.

Proposed Renewal of TEFRA Hearing

A Tax Equity and Fiscal Responsibility Act (TEFRA) hearing is a public inquiry that the Internal Revenue Service (IRS) requires for nonprofit borrowers that intend to issue tax-exempt debt. The TEFRA hearing provides the public with an opportunity to comment on the use of tax-exempt bond proceeds by the specific proposed issuer for the proposed project.

On December 15, 2020, the San Diego City Council (City Council) held an IRS-required TEFRA public hearing for The Junipers Apartments (Report No. CCR20-019) and approved a TEFRA Resolution (No. R-313400). Pursuant to IRS Code requirements, the TEFRA public hearing is valid for 12 months, and thereafter, needs to be renewed with a new TEFRA hearing. For The Junipers Apartments, the one-year valid period elapsed December 15, 2021, prior to the Housing Authority issuing the bonds; therefore, this renewal TEFRA hearing is needed.

The Housing Commission Board of Commissioners is authorized to hold TEFRA hearings pursuant to Multifamily Mortgage Revenue Bond Program Policy Amendments the Housing Authority approved March 9, 2021 (Report No. HAR20-043; Resolution No. HA-1906).

Proposed Revision to the Bond Financing Team

Subsequent to the Housing Commission and the Housing Authority approvals of the bond issuance preliminary steps, the designated Bond Counsel, Kutak Rock LLP, notified Housing Commission staff that Kutak Rock LLP is unwilling to file a required Statement of Economic Interest (SEI). That SEI filing is required pursuant to the Agreement for Bond Counsel Services between Kutak Rock and the Housing Commission (RED-18-05b), and it is required under the Housing Commission's Bond Program. The matter was referred to the Housing Commission's General Counsel, which resulted in a determination that Kutak Rock be replaced as bond counsel immediately by a firm that files the SEI as required by applicable law and the Bond Policy, in accordance with the existing policy for bonds issuance, it is proposed that Quint & Thimmig L.L.P. be selected as the replacement Bond Counsel for The Junipers Apartments development. The Housing Commission's General Counsel has reviewed the filed SEI for the principal of Quint & Thimmig LLP, and there are no conflicts based upon the filed SEI. Kutak Rock has not been paid compensation on the Junipers project. Compensation to bond counsel is paid upon closing of the bond transaction. There will be no fiscal impact to this proposed Bond Counsel substitution.

The Property

Lennar Homes is planning to construct The Junipers, a new master-planned community with 536 homes for persons 55 and older. It will include a mix of 455 units of for-sale housing (townhouses and single-family homes), and these proposed 80 affordable apartments for low-income households and the unrestricted manager's unit. It will also include a 2.87-acre public park and a 2.8-acre walking trail and bike path. The 112-acre The Junipers development will be located in Rancho Penasquitos, near the intersection of Peñasquitos Drive and Carmel Mountain Road, on a section of a shuttered former golf course. It meets all of the City's requirements for dense development and is near transit and shopping. The Junipers development will contribute development fees that can improve community amenities, such as municipal fire stations and library branches.

The Development

The Junipers Apartments will be an 81-unit new construction development for seniors ages 55 and older, with 80 affordable units and one unrestricted manager's unit. These new apartments will be located on a 2.1-acre parcel at the southern end of the Lennar Homes' master-planned The Junipers development (Attachment 2 – Site Map). Sixteen of the apartment units will be rent restricted for very low-income seniors with income at or below 50 percent of AMI, and the remaining 64 affordable units will be rent restricted for seniors with income at or below 60 percent of AMI. The Junipers Apartments will consist of 65 one-bedroom units (573 square feet) and 16 two-bedroom units (738 square feet) dispersed within a three-story rectangular building with an exterior courtyard in the center. The building will feature modern ranch style architecture with exterior white and gray color tones. The building will have pitched roofs with dark hue composition shingles.

The Junipers Apartments will have 81 surface parking spaces. A community building will be located on-site and will include the leasing office as well as a community area with a kitchenette and a computer room.

Transit Information

The Junipers Apartments will be located near a San Diego Metropolitan Transit System route 20 bus stop, which is near the intersection of Peñasquitos Drive and Carmel Mountain Road.

Prevailing Wages

Prevailing wages are not applicable because neither California State nor federal funds will be used in The Junipers Apartments financing.

Relocation

The subject property is vacant. No relocation is required.

Accessibility

The Junipers Apartments will comply with California Tax Credit Allocation Committee (CTCAC) requirements for wheelchair accessibility in 10 percent of the units, with 4 percent of the units to have communication features and be accessible to residents with visual and/or hearing impairment. The same units can satisfy both of these accessibility requirements. The completed development will be 100 percent accessible for visitors. The development will include Universal Design features.

Project Sustainability

The development will be built as Green Point-Rated with an anticipated Gold Rating standard, and will comply with the CTCAC minimum energy efficiency construction standards for new construction. Unit amenities include: Energy Star-rated efficient appliances (stove/oven, microwave, dishwasher, garbage disposal and refrigerator), dual-glazed windows coated for limited solar heat gain, low-energy lighting, HVAC systems that utilize energy-efficient heat pumps, use of Low Volatile Organic Compound (VOC) paints and stains for interior surfaces, private patio/balconies with storage closets, plus blinds, and vinyl-plank flooring. All ground level units will be accessible pursuant to the Americans with Disabilities Act (ADA). The required number of units will have built-out accessible bathrooms and wheelchair barrier-free shower stalls. The roof design optimizes square footage to allow maximum area to install the solar photovoltaic system. Water conservation will include low-water-use fixtures in kitchens and bathrooms, low-flow toilets, and low-water-use, native-plants landscaping with water-efficient irrigation controls.

Development Team

Chelsea Investment Corporation (Chelsea), an award-winning, for-profit corporation headquartered in Carlsbad, California, will lead the development team. Since 1995, Chelsea and its affiliates have developed approximately 9,768 rental units under ownership in four states in 77 Chelsea-owned developments. Chelsea has substantial development experience in a wide range of housing developments. Along with its affiliates, Chelsea provides financial, engineering, development, asset management, construction and property management services. Chelsea has developed multiple affordable rental housing developments in San Diego using Housing Commission loan funds. Chelsea is in full compliance on its previous Housing Commission-funded loans. Based upon the developer's past experience and performance, Housing Commission staff has determined that the developers have the capacity to successfully complete the proposed project. During the tax credit compliance period, The Junipers Apartments will be owned by Juniper CIC L.P. a California limited partnership (a single-asset limited partnership). The organization chart is at Attachment 3.

Table 2 Development Team Summary

Property Management

ConAm Management Corporation (ConAm) will manage The Junipers. ConAm is a nationwide management company with a management portfolio of approximately 53,000 units in more than 26 management areas. It was established in 1975. It is experienced in property management, marketing, leasing, maintenance, renovations, and tax credit developments.

Tenant Services Provider

PSCDC is a nonprofit company that acts as the managing general partner for low- and moderate-income apartment properties in California. It has 25 years' experience and is based in Rancho Bernardo.

FINANCING STRUCTURE

The Junipers Apartments has an estimated total development cost of \$33,599,303 (\$414,806 per unit). Financing for the development will include Multifamily Housing Revenue Bonds, permanent loan, 4 percent federal low-income housing tax credits, a contribution from the Master Developer (Lennar), and a deferred developer fee. Estimated permanent sources and uses of financing are provided in Table 3. The developer's project pro forma is provided as Attachment 4. No Housing Commission loan proceeds will be provided to this development.

Developer's Fee

The planned net cash developer fee of \$3,657,535 is in compliance with CTCAC and CDLAC regulations.

\$4,223,396 – Gross developer fee

<u>-2,017,561</u> – Minus deferred developer fee

\$2,205,835 – Net cash developer fee

On April 25, 2017, the Housing Authority approved the "Request for Approval of Updated Developer Fees" (Report No. HAR17-011; Resolution No. HA-1727). That report approved certain developer fee guidelines for multifamily loans and bond issuances. Attachment 1 to that report stated: "Developer Fee [for] 4% tax credits, in project costs: 15% eligible basis...." The developer is proposing a \$3,657,535 preliminary developer fee associated with the residential portion of development, which complies with HAR17-011. The proposed fee is in conformance with the "Request for Approval of Updated Developer Fees" guidelines approved by the Housing Authority on April 25, 2017.

Development Cost Key Performance Indicators

Housing Commission staff has identified development cost performance indicators, which were used to evaluate the proposed development and make a funding recommendation. The key performance indicators listed in Table 4 are commonly used by real estate industry professionals and affordable housing developers.

| Table 4 – The Jumper's Apartment | its Key I er for mance indicators | |

Project Comparison Chart

Multiple factors and variables influence the cost of developing multifamily affordable housing, including but not limited to project location, site conditions, environmental factors, land use approval process, community involvement, construction type, design requirements/constraints, economies of scale, City fees, developer experience and capacity, and the mission and goals of the organization developing the project. Similar construction-type developments (completed or approved) over previous years are listed in Table 5. These developments are similar in terms of new construction, target population, and construction type and are provided as a comparison to The Junipers Apartments.

TAX-EXEMPT MULTIFAMILY HOUSING REVENUE BONDS

Proposed Housing Bonds

The Housing Commission utilizes the Housing Authority's tax-exempt borrowing status to pass on lower interest rate financing (and make 4 percent low-income housing tax credits available) to developers of affordable rental housing. The Housing Authority's ability to issue bonds is limited under the U.S. Internal Revenue Code.

To issue bonds for a development, the Housing Authority must first submit an application to CDLAC for a bond allocation. Prior to submitting applications to CDLAC, developments are brought before the Housing Commission and a bond inducement resolution must be obtained prior to application submittal. These actions do not obligate the Housing Authority to issue bonds.

The developer plans to submit a bond allocation application to CDLAC in early 2022. However, if necessary, staff will submit additional applications to CDLAC to secure a bond allocation for the development.

The developer will be seeking a CDLAC bond allocation of approximately \$19,500,000. The developer proposes to have the Housing Authority issue the bonds through a tax-exempt private placement bond issuance. The bonds will meet all requirements of the Housing Commission's Multifamily Housing Revenue Bond Program policy and will fully comply with the City of San Diego's (City) ordinance on bond disclosure. The financing amount that will ultimately be set, will be based upon development costs, revenues, and interest rates prevailing at the time of the bonds issuance.

The developer proposes that the bonds will be used to provide construction and permanent financing for the development. Housing Commission staff will later return to both the Housing Commission and Housing Authority for approval of the final bonds and transaction documents. Attachment 5 has a general description of the Multifamily Housing Revenue Bond Program and the actions that must be taken to initiate and finalize proposed bond financings. Staff recommends assigning Quint & Thimmig as Bond Counsel and CSG Advisors as Financial Advisor to work on this development. The proposed financing team members have been selected in accordance with the existing policy for the issuance of bonds. Financial Advisors and Bond Counsels are selected in accordance with the Housing Commission's Bond Policy.

AFFORDABLE HOUSING IMPACT

Under the proposed Bond financing, The Junipers Apartments would restrict 16 units to households with incomes at or below 50 percent of the San Diego Area Median Income (AMI), and 64 at or below 60 percent of AMI. The affordable units will be restricted for a 55-year term. The rent and occupancy restrictions required by the CTCAC will be applicable.

| Unit Type | AMI | Number of Units | Maximum Gross Rents |
|-------------------------------|---------|--------------------|------------------------|
| One - bedroom/one-bath units | 30% AMI | 7 | \$682 |
| One -bedroom/one-bath units | 50% AMI | 7 | \$1,136 |
| One -bedroom/one-bath units | 60% AMI | 51 | \$1,364 |
| Subtotal One Bedroom Units | | 65 | |
| Two-bedrooms/one-bath units | 30% AMI | 1 | \$818 |
| Two-bedroom/one-bath units | 50% AMI | 1 | \$1,363 |
| Two-bedroom/one-bath units | 60% AMI | 13 | \$1,636 |

FISCAL CONSIDERATIONS

The proposed funding sources and uses approved by this proposed action are included in the Housing Authority-approved Fiscal Year (FY) 2022 Housing Commission Budget.

Estimated funding sources approved by this action will be as follows:

- Bond Issuance Fees \$48,750 (\$19,500,000 bond amount x .0025 = \$48,750)
- Total Funding Sources up to \$48,750

Estimated funding uses approved by this action will be as follows:

- Administrative Cost up to \$48,750
- Total Funding Uses up to \$48,750

Neither the previous approval of The Junipers Apartments Bond Inducement Resolution, nor the proposed TEFRA hearing, will commit the Housing Authority to issue the bonds. If bonds are ultimately issued for the development, the bonds will neither constitute a debt of, nor financially obligate the City, the Housing Authority, nor the Housing Commission because security for the repayment of the bonds will be limited to specific private revenue sources of the development. Neither the faith and credit nor the taxing power of the City, or the Housing Authority, will be pledged to the payment of the bonds. The developer is responsible for the payment of all costs under the financing, including the Housing Commission's annual administrative fee, as well as the Housing Commission's Bond Counsel and Financial Advisor fees.

Development Schedule

The estimated development timeline is as follows:

| Milestones | Estimated Dates |
|--|------------------------|
| Application to CDLAC for tax-exempt bonds allocation | • February 3, 2022 |
| Application to CTCAC for tax credits allocation | • February 3, 2022 |
| CDLAC and CTCAC allocation meetings | • April 27, 2022 |
| Housing Commission consideration of final bonds issuance | • Fall 2022 |
| • Housing Authority consideration of final bonds issuance | • Fall 2022 |
| Estimated bonds issuance and escrow closing | • November 2022 |
| • Estimated start of construction work | • November 2022 |
| • Estimated completion of construction work | • December 2023 |

COMMUNITY PARTICIPATION and PUBLIC OUTREACH EFFORTS

On February 3, 2021, The Junipers Apartments development was presented by the development team to the Rancho de los Peñsaquitos Planning Board.

KEY STAKEHOLDERS and PROJECTED IMPACTS

Stakeholders include Chelsea Investment Corporation, Lennar Homes, the future residents of Lennar Homes' master-planned development, and the Rancho Peñasquitos community. The proposed apartment development is anticipated to have a positive impact on the community, as it will contribute to the quality of the surrounding neighborhood and create 80 new affordable rental homes for seniors with low income.

STATEMENT for PUBLIC DISCLOSURE

The developer's Disclosure Statement is at Attachment 7.

ENVIRONMENTAL REVIEW

This activity is not a "project" and is therefore not subject to the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15060(c)(3). This determination is predicated on Section 15004 of the Guidelines, which provides direction to lead agencies on the appropriate timing for environmental review. This action does not constitute approval of a project. Approval will occur once the environmental review has been completed in accordance with CEQA Section 15004. This action will not foreclose review of alternatives or mitigation measures by the public as part of the CEQA process. The proposed actions are approval of part of the preliminary steps to issue bonds and do not constitute approval of the development activity or authorization for the issuance of bonds. Future actions to consider and approve development entitlement approvals related to the future development of the site will require additional review under the provisions of CEQA by the lead agency. Processing under the National Environmental Policy Act (NEPA) is not required as no federal funds are involved in this action.

ATTACHMENT 5 HOUSING COMMISSION MULTIFAMILY HOUSING REVENUE BOND PROGRAM SUMMARY

General Description: The multifamily housing bond program provides below-market financing (based on bond interest being exempt from income tax) for developers willing to set aside a percentage of project units as affordable housing. Multifamily Housing Revenue Bonds are also known as "private activity bonds" because private entities, often including nonprofit sponsors and for-profit investors own, the projects.

Bond Issuer: Housing Authority of the City of San Diego. There is no direct legal liability to the City, the Housing Authority or the Housing Commission in connection with the issuance or repayment of bonds. There is no pledge of the City's faith, credit or taxing power nor of the Housing Authority's faith and credit. The bonds do not constitute a general obligation of the issuer because security for repayment of the bonds is limited to specific private revenue sources, such as project revenues. The developer is responsible for the payment of costs of issuance and all other costs under each financing.

Affordability: Minimum requirement is that at least 20% of the units are affordable at 50% of Area Median Income (AMI). Alternatively, a minimum of the units may be affordable at 50% AMI with an additional 30% of the units affordable at 60% AML The Housing Commission requires that the affordability restriction be in place for a minimum of 15 years. Due to the combined requirements of state, local, and federal funding sources, projects financed under the Bond Program are normally affordable for 30-55 years and often provide deeper affordability levels than the minimum levels required under the Bond Program.

Rating: Generally "AAA" or its equivalent with a minimum rating of "A" or, under conditions that meet IRS and Housing Commission requirements, bonds may be unrated for private placement with institutional investors (typically, large banks) Additional security is normally achieved through the provision of outside credit support ("credit enhancement") by participating financial institutions that underwrite the project loans and guarantee the repayment of the bonds. The credit rating on the bonds reflects the credit quality of the credit enhancement provider.

Approval Process:

• Inducement Resolution: The bond process is initiated when the San Diego Housing Commission (Housing Commission) adopts an "Inducement Resolution" to establish the date from which project costs may be reimbursable from bond proceeds (if bonds are later issued) and to authorize staff to work with the financing team to perform a due diligence process. The Inducement Resolution does not represent any commitment by the Housing Commission, or the Housing Authority, or the developer to proceed with the financing. • TEFRA Hearing and Resolution (Tax Equity and Fiscal Responsibility Act of 1982): to assure that projects making use of tax-exempt financing meet appropriate governmental purposes and provide reasonable public benefits, the IRS Code requires that a public hearing be held and that the issuance of bonds be approved by representatives of the governmental unit with jurisdiction over the area in which the project is located. This process does not make the Housing Commission, the Housing Authority, or the City of San Diego financially or legally liable for the bonds or for the project.

[Note: Members of the Housing Commission or the San Diego City Council may be asked to take two actions at this stage in the bond process -- one in their capacity as approving the TEFRA hearing resolution and another as approving the bond inducement.]

- Application for Bond Allocation: The issuance of these "private activity bonds" (bonds for projects owned by private developers, including projects with nonprofit sponsors and for-profit investors) requires an allocation of bond issuing authority from the State of California. To apply for an allocation, an application approved by the Housing Commission and supported by an adopted inducement resolution and by proof of credit enhancement (or bond rating) must be filed with the California Debt Limit Allocation Committee (CDLAC). In addition, evidence of a TEFRA hearing and approval must be submitted prior to the CDLAC meeting.
- Final Bond Approval: The Housing Authority retains absolute discretion over the issuance of bonds through adoption of a final resolution authorizing the issuance. Prior to final consideration of the proposed bond issuance, the project must comply with all applicable financing, affordability, and legal requirements and undergo all required planning procedures/reviews by local planning groups, etc.
- Funding and Bond Administration: All monies are held and accounted for by a third party trustee. The trustee disburses proceeds from bond sales to the developer in order to acquire and/or construct the housing project. Rental income used to make bond payments is collected from the developer by the trustee and disbursed to bond holders, if rents are insufficient to make bond payments, the trustee obtains funds from the credit enhancement provider. No monies are transferred through the Housing Commission or Housing Authority, and the trustee has no standing to ask the issuer for funds.

Bond Disclosure: The offering document (typically a Preliminary Offering Statement or bond placement memorandum) discloses relevant information regarding the project, the developer, and the credit enhancement provider. Since the Housing Authority is not responsible in any way for bond repayment, there are no financial statements or summaries about the Housing Authority or the City that are included as part of the offering document. The offering document includes a paragraph that states that the Housing Authority is a legal entity with the authority to issue multifamily housing bonds and that the Housing Commission acts on behalf of the Housing Authority to issue the bonds. The offering document also includes a paragraph that details that there is no pending or threatened litigation that would affect the validity of the bonds or curtail the ability of the Housing Authority to issue bonds. This is the extent of the disclosure required of the Housing Authority, Housing Commission, or the City. However, it is the obligation of members of the Housing Authority to disclose any material facts known about the project, not available to the general public, which might have an impact on the viability of the project.
