SUMMARY

Lease
On July 17, 1984, the City of San Diego (City) and the Housing Authority entered into a Master Ground Lease (Master Ground Lease) for the Property. The Master Ground Lease granted the Housing Authority the authority to enter into a Ground Lease with Rancho Del Rio, LP (Rancho Del Rio).

On August 3, 1984, the Housing Authority and Rancho Del Rio entered into a 55-year Ground Lease for the Property (Lease). Rancho Del Rio assigned its rights to Rancho Del Rio, Ltd., which in turn, assigned its rights, title, and interest in the Lease to JSP Rancho Del Rio, L.P. (JSP) on or about October 31, 2007.

The Lease was amended in 1985 and again in 2008 to amend certain provisions including modifications to acreage and property value, and corresponding reduction in the monthly rent and modifications to the calculation of rent and recertification process for low-income subtenants, and the imposition of monitoring 3 fees to be paid to the San Diego Housing Commission (SDHC). In accordance with these two amendments, mobile home units for new tenants would be affordable at no more than 80 percent of Area Median Income (AMI). Existing low-income tenants earning 60 percent of AMI who occupied the Property as of April 22, 2008, could remain at 60 percent of AMI.

Pursuant to Section 14.22 of the Lease, the Housing Authority delegated to SDHC certain powers necessary to implement and administer the provisions of the Lease, and to receive all notices pursuant to the Lease.

In 2017, a rent dispute arose between SDHC and JSP. SDHC and JSP have tentatively agreed to settle the rent dispute contingent upon the sale of the property to JSP. On May 5, 2022, the SDHC Board of Commissioners approved a revised contingent settlement as set forth in the Settlement Agreement dated May 12, 2022, and attached to report No. HCR22-074, and proceed to collaborate with the City of San Diego’s Department of Real Estate and Airport Management and the office of the City Attorney to process a potential sale of the property from the City of San Diego to JSP, on terms determined by the City. As a condition of selling the property, the Master Ground Lease and the Lease must be terminated. City Council is asked to terminate the Master Ground Lease as part of the companion City Council item.

Under the terms of the revised contingent settlement agreement, upon the close of escrow to sell the property to JSP, if it occurs, SDHC shall be paid the sum of $641,250.00, which it shall immediately pay to the City as back rent, since September 1, 2016. The SDHC lawsuit and the cross-complaint of JSP shall be dismissed with prejudice. Each of the parties to the litigation shall bear their own costs and fees.

FISCAL CONSIDERATIONS
If the City of San Diego agrees to sell the property to JSP, SDHC will receive all back rent since September 1, 2016, in the amount of $641,250.00, which will be transferred to the City of San Diego as part of the settlement. In addition, upon closing, in consideration of SDHC’s efforts to assist in the resolution of this dispute, SDHC will be paid a fee in the amount of $100,000, which the parties agree will have been earned by SDHC.
AFFORDABLE HOUSING IMPACT

If an agreement to sell the property to JSP is consummated, a regulatory agreement will be recorded against the property that will provide continued affordability for all residents of the mobile home park who are currently qualified as low-income tenants, on terms and conditions agreed to by and between the City of San Diego and JSP. SDHC will monitor compliance with applicable affordability requirements in accordance with a Monitoring Agreement pursuant to which JSP shall agree to pay SDHC an annual fee of $165/Affordable Unit, as that fee is periodically adjusted, from time to time, as established for other projects being monitored by SDHC, commencing upon the closing of the sale of the Property.

PREVIOUS COUNCIL AND/OR COMMITTEE ACTIONS:

This item was heard at the July 14, 2022, Land Use and Housing Committee meeting with a motion by Chair Moreno recommending Council approval of staff's proposed actions and a request that City staff, the San Diego Housing Commission, and JSP coordinate to prepare and send a letter to each tenant and owner explaining the agreement, notification of when it will be discussed by the City Council, and providing a point of contact who can answer any questions.

In addition, on May 5, 2022, the SDHC Board of Commissioners approved a revised contingent settlement as set forth in the Settlement Agreement dated May 12, 2022, and attached to report No. HCR22-074. If the property is not sold, however, the revised contingent settlement of the pending litigation shall be void, and the parties shall proceed to litigate the matter of back rents in the Orange County Superior Court.
