SUMMARY
The Housing Commission administers some agreements for the City of San Diego’s (City) Homeless Shelters and Services Programs based on a Memorandum of Understanding (MOU) between the Housing Commission and the City of San Diego (City) that first took effect on July 1, 2010, and as has been updated from time to time (Homeless Services MOU). The Housing Commission and the City have subsequently entered into separate memoranda of understanding for the operation and administration of other programs that are not the subject of the Homeless Services MOU. The Housing Commission and City entered into a separate MOU for the administration and operation of the City’s Bridge Shelter Programs, which was approved by the Housing Commission Board of Commissioners on November 3, 2017, as well as the Housing Authority and City Council (City Council) on November 14, 2017 (Bridge MOU). The Bridge MOU will expire on June 30, 2023.

The Bridge MOU between the City and the Housing Commission and operating agreements with shelter operators have been renewed on multiple occasions with Board and Housing Authority/City Council approval, including the addition and expansion of a shelter at the San Diego Concourse and parts of Golden Hall and the addition of a shelter at 1710 Imperial Avenue.

The proposed actions referenced in this report will allow the Housing Commission to enter into an Agreement with Alpha Project in the amounts referenced within this report to provide for the ongoing operation of the Bridge Shelter Program (Program) for a period of one year, with three one-year options for renewal, contingent on funding be made for this purpose.

The Program supports the Community Action Plan on Homelessness for the City of San Diego (Action Plan), a comprehensive, 10-year plan that builds on recent progress, lays out short-term achievable goals and serves as a guide for long-term success in addressing homelessness. The Action Plan identifies shelter interventions as critical entry points to the City’s Crisis Response System and necessary to facilitate permanent housing placements. The Program is an important component to the vision, principles and strategies identified in the Action Plan.

PROGRAM OVERVIEW
The City of San Diego’s Bridge Shelter located at 1710 Imperial, San Diego, CA 92101 will provide shelter year-round, in alignment with Housing First principles, for up to 139 persons experiencing homelessness in the City (actual bed count may be less due to Fire Marshal or other health and safety determinations). The Program will provide safe, low-barrier shelter, as well as stabilization and supportive services, to prepare persons experiencing homelessness for the most appropriate longer-term or permanent housing interventions, contributing to the regional goals of ensuring instances of homelessness are rare, brief, and non-recurring.
The Program will prioritize the most vulnerable individuals living in the City, including individuals who may live in places not intended for human habitation (vehicles, parks, abandoned buildings, sidewalks, streets, etc.) were it not for the shelter and services provided by the Program. Services to be provided include, but are not limited to: a safe, secure, and supportive environment; access to housing-focused case management and supportive services; basic needs support such as a minimum of two meals per day, laundry, telephone, restrooms and showers; referrals to partner agencies for additional services; and assistance in obtaining permanent or longer term-housing interventions.

**Operator Experience**

Alpha Project is a well-established homeless service provider with more than 30 years of experience meeting the needs of individuals and families experiencing homelessness. Through its array of housing and supportive services, Alpha Project serves more than 4,000 men, women and children on an annual basis. The organization follows a Housing First model, which recognizes the need to provide housing and shelter without preconditions, in conjunction with the provision of supportive services. Alpha Project has been serving families experiencing homelessness since 1995 through permanent supportive housing programs, and in the past several years, through federally funded Rapid Rehousing programs.

Alpha Project has successfully operated several shelters, including two of the City’s Bridge Shelter Programs as well as the inclement weather shelter and the temporary campground that was opened during the fall of 2017 in response to the Hepatitis A outbreak. In addition to its portfolio of interim shelters, rapid rehousing and permanent supportive housing programs, Alpha Project coordinates a variety of services for its clients, including substance abuse treatment, employment readiness and placement, transportation assistance and healthcare, and has developed innovative programs that support persons with lived experience to engage with the local community, and provide peer-to-peer outreach through their Wheels of Change and Take Back the Streets programs. Alpha Project was recently selected to operate the City of San Diego’s first harm reduction shelter in collaboration with the County of San Diego to serve adults experiencing homelessness and substance use or co-occurring conditions.

**Program Design**

Through the Program, Alpha Project will provide shelter and housing-focused case management, and basic needs support for up to 139 individuals at any given time experiencing homelessness in the City of San Diego with an emphasis on individuals who are enrolled in a permanent housing intervention or are in the process of identifying permanent housing.

The Program’s target population may be flexible in nature, and the Program may serve more than one sub-population at a time. Final determination of targeted population/sub-populations will be made by the City, and the Housing Commission will work with Alpha Project throughout the term of the proposed agreement to re-align budget and/or staffing resources to best meet needs of the determined population/sub-populations.

**Program Components:**

**CONTRACT SELECTION PROCESS**

On January 25, 2022, the Housing Commission issued a Request for Proposal (RFP) seeking to identify interested and qualified service providers within the City of San Diego, in particular providers with a history of providing shelter and related services to individuals experiencing homelessness.

The RFP was posted and made available for download on the PlanetBids website through both the Housing Commission’s and the City of San Diego’s portals. More than 895 notifications were sent through the PlanetBids system. Twenty bidders downloaded the solicitation from the Housing Commission’s portal, and 15 bidders downloaded the solicitation from the City of San Diego’s portal.

At the RFP closing on February 15, 2022, proposals were received from two respondents, Alpha Project and Lids of Encouragement. A source selection committee evaluated, scored and ranked the responses based on the following criteria: Program Operations, Case Management & Residential Services, Care Coordination, Equity & Inclusion, Community Considerations, Cost Proposal and Organizational

AFFORDABLE HOUSING IMPACT
As San Diegans continue to live in a City-declared housing emergency “shelter crisis,” the need for immediate housing assistance is critical to the well-being of community members. The Bridge Shelter at 1710 Imperial Avenue serves this purpose by providing Bridge Shelter services and a pathway to housing to persons experiencing homelessness. Individuals participating in this program represent some of San Diego’s most vulnerable citizens, as 100 percent of participants are homeless, with low-to-moderate incomes.

FISCAL CONSIDERATIONS
It is anticipated that the City of San Diego will commit $3,107,644 in HHAP and ESG-CV funds for operations in Fiscal Year 2023. The funding source for Fiscal Year 2023 will be determined through the City’s annual budgeting process.

EQUAL OPPORTUNITY CONTRACTING AND EQUITY ASSURANCE

The Housing Commission included a requirement in the RFP for prospective firms to include a description of how they would address racial equity and inequities for the target population(s), including any local disproportionate impact of COVID-19 and homelessness by race and other protected classes. The requirement was a part of the scored evaluation criteria. Alpha Project does not discriminate based on race, color, religion, national origin, ancestry, gender, age, medical condition, sexual orientation, marital status, domestic partnership status, physical or mental disabilities, veterans, or any other consideration made unlawful by federal, state, or local laws.
